### *Texts of the Message*

**Write this My daughter.** The hours are ticking. Do not ignore My request to publish My Warning to mankind. There is a need now to repent. My children must hear My warning now. My daughter communicate with Christian Groups first to impart My pleas. Stay strong. I have chosen you for this work so that my pleas for redemption will be heard quickly. Write the book and communicate My messages using modern communications such as the internet and the media. While My request is urgent I will hold your hand so that you can understand the message.

### *Commentary*

- **“Write this My daughter.”** This is an imperative statement where God is in command. The hidden antecedent for this is **You (You write this my daughter)** and the one in command is God Himself
- **“Write this My daughter.”** This message is signed Your Beloved Saviour Jesus Christ. Jesus, the God the Son calls MDM here as My Daughter. Obviously, Jesus does not have children. You must have observed this that Jesus God the Son would call God’s faithful followers as children the same with the God the Father as children also interchangeably. This is because of the aspect of the mystery of the Holy Trinity, where every divine person is present in each one
- **The hours are ticking (time is short) AND THE URGENT MATTERS AT STAKE ARE:** publish My Warning to mankind, need now to repent, hear My warning, communicate with Christian Groups first to impart My pleas, write the book, communicate My messages using modern communications such as the internet and the media
- My request is urgent - I will hold your hand so that you can understand the message. How do we understand this? The urgency of the request and the understanding of the message is coupled with God holding the hands of the visionary so she will understand what to write. (From Mo. Theresa of Calcutta “I am just the pencil, God is the writer”)
- Every JTM Crusader knows and understands the messages from the deepest recess of his or her heart, that is why the burning inspiration to come, join and gather together in prayer made the prayer group possible
- I have already reiterated this earlier that we do not arrive in this mission by accident. I have chosen you for this work as Jesus is saying. It is by God’s prophetic design, while He also prepares the people who will congregate and we are now in this holy and sacred reality doing the mission
- You may not believe me, but I am so sure of this because I can tell and retell my faith experience from the very beginning how the call to this mission unfolded in the events of my own life
- Can you ever imagine that we have so many preoccupations in our daily life and why do we have to spend close to 2 hours in prayer everyday! And

we do not even know each other, maybe some of you know others personally

- There is that mysterious point of convergence that is so hard to resist and why? Because God Himself is the author!
- I can't exactly locate the message saying that the conversion of the participants begins as we continuously pray the Crusade Prayers and Jesus said this. (Maybe Ma'am Kathy can help)
- Now we are already at the pinnacle in realizing the request of our Lord to use modern communications such as the internet and the media to pray together. We play a part of fulfilling the prophecy

### *Back to Message*

You are stronger than you think. Pray to Me more daily my Divine Mercy. Fear not. Why are you so frightened? Eternal life, when Heaven and Earth merge as one is to be welcomed. It is what man has strived for since time began. Don't be fooled by the attractions that earth has to offer. They pale into significance when compared with the splendour of My Father's Kingdom. You will be sent support as soon as your plan begins to unfold.

### *Commentary*

- It is really part and parcel of our human weakness that we feel we are weak. Jesus says: You are stronger than you think
- The most beautiful in all of God's creation is the human being. It is so beautiful that is why the devil is so jealous, so envious that the potentials of development for human beings are so tremendous
- Just reflect on this that from a simple zygote the human being grows and builds the tallest building in the world, the fastest rockets to Mars, the largest ship ever built, and can even see the smallest particle of an element, etc. All the superlatives. We are really strong but mind you, pride will also be our own ruin; if we will be fooled by the attractions that earth has to offer
- Jesus assures MDM that you are strong (but) under My strong hands so to speak. So we go back to the common denominator TRUST IN THE LORD AND YOU SHALL NOT TIRE (Isaiah 40:28-31) because Jesus promised you will be given support

### *Back to Message*

These last few days have been overwhelming for you yet you have accepted, in your heart, what I am asking of you. It is difficult and perhaps a little frightening for you to take all of this in but it is important that you trust in Me. Hold Me in your heart and lean on Me. Surrender any doubts you have and your task will be easier. You must remind people of the promises and refer to My written word. Fall back on scripture to make sense. Never ever be afraid to remind people how their sins are breaking My Sacred Heart and piercing the soul of My Eternal Father.

### *Commentary*

- The above segment is Jesus giving comfort to the beleaguered daughter MDM not knowing what to do

- But Jesus gives a very important reminder: **Never ever be afraid to remind people how their sins are breaking My Sacred Heart and piercing the soul of My Eternal Father**
- This is really the role of a prophet: to teach the people, remind the people of their sins because sin is a transgression to His laws and sin offends the heavens and God sends MDM as His prophet and prophets have the burden of obligation to fulfill, that is why the real prophet is really persecuted because the people loves to listen only what they like to hear. And contradictory to this, the false prophet will also teach false teachings
- Do you remember the story of the prophet Jeremiah? It is so similar. Look at this, the young Jeremiah bargained to refuse the Lord because he is still so young and does not know how to speak:

*Jeremiah 1:14-19. I appointed you a prophet to the nations.' Then I said, 'Ah, Lord God! Truly I do not know how to speak, for I am only a boy.' But the Lord said to me, 'Do not say, "I am only a boy"; for you shall go to all to whom I send you, and you shall speak whatever I command you. Do not be afraid of them, for I am with you to deliver you, says the Lord.' Then the Lord put out his hand and touched my mouth; and the Lord said to me, 'Now I have put my words in your mouth. See, today I appoint you over nations and over kingdoms, to pluck up and to pull down, to destroy and to overthrow, to build and to plant.'*

### *Back to Message*

We, My Mother and all the saints will hold your hand and give you strength. You will be sent practical guidance and doors will be opened to help you in your work.

### *Commentary*

- In the beginning of this message **Jesus** gives assurance to MDM that "I will hold your hand." Now, in the above segment of the message the assurance have multiplied, and now, includes, the **BVM, and all the saints in heaven**
- You see, there is no way for this mission not to succeed. The enemies of the remnant army can only hinder through their little power of machinations. The All Too Powerful God is on our side, and all the celestial personalities are all with us in this battle. There is no way for them to stop us

### *Back to Message*

Beware of those who create obstacles to delay you in your communications. Pray for them and move on (**those debates, those arguments, just answer if you are caught in the middle**). I know you are tired but My request has to be responded to quickly. It is time for rest now My child. You are responding well and with faith and courage. Never give up.

- Oh what words of comfort Jesus gives us. God is always our fallback, no matter what. Even if we are tired, the meals are so late, we scavenge in the kitchen whatever is left. We are still happy. Bravo for the Lord!

Your Beloved Saviour Jesus Christ
