***Notes:** Message 7 is rather long, and Sis Leilani reminded me about this last night. And indeed, this is one of the rare messages where there are subtitles. And I counted the subtitles to a total of 11. So I just decided to split this into 2. So, tonight we will have Part 1 of Message 7.*

*(Texts of the Message)*

**(Main Title) The Warning of Hell and the Promise of Paradise**

My beloved daughter you have come through a terrible persecution which I permitted to free your soul from the torments of Hell. You are now free and your spirit will enable you to spread My word so that mankind can be released from the suffering that awaits them should they be so foolish as to succumb to the Evil One. You, My daughter were sent right from the start. I am making you stronger all the time in but a few days. What do you think you will be like in a week, a year or two? A fighter, brave to the last. You will work with Me to clear the souls of My dearly beloved children for whom I hold a deep and utterly loving compassion. The love courses through My veins like a river. My compassion never dwindles despite the fact that they turn the other way.

*Commentary*

- “A terrible persecution which I permitted to free your soul from the torments of Hell.” In this quote from Jesus, persecution or suffering is allowed for the purpose of purification, and after the purification or cleansing the spirit is free and is now enabled to do what God wants
- I would find it wrong and dangerous if a priest will preach in the pulpit that suffering is so good that we must encourage everyone to suffer because of the benefit of purification. Rather, the proper way to understand the positive side of suffering is that suffering is **REDEPTIVE IN CHARACTER** for the very obvious reason that **JESUS SUFFERED FOR US FOR THE SAKE OF OUR OWN REDEMPTION**
- So here, the prophet undergoes cleansing or purification (and what a purification! “A terrible persecution which I permitted to free your soul” a form of suffering which God Himself allowed) as this is so needed to forward the cause of the very important mission because the prophet is now stronger and as Jesus said “A fighter, brave to the last”
- The test is the crucible. The finery of gold can only be tested with fire. Somehow, all of us in this mission will also experience the test inside the crucible so we can be melted, and reformed according to what God wishes. I believe we all have similar stories to tell in our faith experience

**I will save them from the torments of Hell (Subtitle 1)**

Tell them, My daughter, that I will save them from the torments of Hell. I need them to turn to Me in their joyless confused state. There is only one way to love

and peace. That will be in My **new Paradise** when Heaven and Earth will become one. Don't they know this? Have they never heard of My promise of old? The promise of eternal life, where they – all mankind – who turn to Me will be lifted body, soul and mind into the New Earth and Heaven when they combine once again as the Paradise for so long promised to My Father's children. Believe, I beseech you. Think. If you have never been exposed to holy scripture then ask yourself this simple question. If you feel love in your hearts where do you think this comes from? Is it love that makes you feel gentle, humble, yearning and free of all ego? If so then this is the love that I promise all My children who turn back to Me.

### *Commentary*

- In this segment Jesus is coaching MDM like an apprentice asking questions: If you have never been exposed to holy scripture then ask yourself this simple question
- If you feel love in your hearts where do you think this comes from? Is it love that makes you feel gentle, humble, yearning and free of all ego?
- In theology we call it rhetorical question, the art of questioning and there is no need to answer. And Jesus answered it Himself. "If so then this is the love that I promise all My children who turn back to Me"
- Jesus drives home the point that the same love that you feel is the love that I promise to all My children
- MDM is confronted about Scriptures and about love! These are already mind-boggling to a simple housewife and a nominal Catholic at the same time
- So here, we now understand why MDM has to undergo purification in preparation for the great mission
- **The Promise of Paradise** – How will this come about? So please, what I will say here is my own understanding in our study of theology about the "eskatos" or study about the last things (eschatology) as our professor explains
- In our study we call it as the merging of heaven and earth, or the new heaven and the new earth (because the physical heaven and the physical earth will pass away)
- The paradise as explained by Jesus in this message is this: "where they – all mankind – who turn to Me will be lifted body, soul and mind into the New Earth and Heaven." The Evangelical Protestants call it as the Rapture (with similar description in the wink of an eye they will be lifted into paradise)
- The gospel of Luke explains this in a very human manner in the Beatitudes the most beautiful sermon that Jesus ever gave

And he lifted up his eyes on his disciples, and said:

Blessed are you who are **poor**, for yours is the **kingdom of God**.

Blessed are you who are **hungry** now, for you shall be **satisfied**.

Blessed are you who **weep** now, for you shall **laugh**.

Blessed are you **when people hate you** and when they exclude you and revile you and spurn your name as evil, on account of the Son of Man!

Rejoice in that day, and leap for joy, for behold, **your reward is great in heaven**; for so their fathers did to the prophets. (Luke 6:20-23)

- So literally, there is no poverty in the Kingdom of God, there is no hunger, there is no weeping, there is no hatred, only pure joy and happiness
- **Revelation 21:1** Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. So logically, we will be living in the New Paradise

**AND THIS IS VERY, VERY IMPORTANT: THE WARNING MESSAGES HAVE NEVER SAID THAT THIS IS ALREADY THE END OF THE WORLD. NEVER AND NEVER. WE ARE ONLY WARNED OF THE ENDTIMES OR THE END OF TIMES (el fin de los tiempos as mentioned in Garabandal). A certain period in our times have already come to an end and we are ushered to another new time or new period or a new era**

- So what are the possibilities of the nature of the things to come?
- The New Heaven and the New Earth, the Paradise, the New Era of Peace. The Reign of God, the Reign of the Eucharist, the Long Period of Peace granted to the world as promised in Fatima after the Triumph of the Immaculate Heart of Mary

##### **Promises that Paradise has to offer (Subtitle 9)**

No illness, bodily corruption, no sin – just love. That is the promise of My Paradise. No one will want for anything. Everyone will live in harmony, joy and love.

#### *Commentary*

- We have to recall that the paradise of old back in the creation story was prepared by God for His most beautiful creation; the human being in the form of Adam and Eve
- But before the creation of the first human beings, there was a revolt in heaven (sacred traditions) and a third of the angels was lured and deceived by Lucifer to side in his own camp. They were thrown out of heaven and scattered all over the universe
- Lucifer is now Satan and fuming mad of the creation of Adam and Eve because he wants the world and so in the form of a serpent he positioned himself to tempt Adam and Eve. And so our first parents have fallen from grace
- So there was a time when the world was a paradise. The description is in the Scriptures. Literally, Adam and Eve would walk with God in the gardens. All is lost after the fall from grace
- If you want to know more you can expand your readings on the Book of Enoch, it is very moving and inspiring
- So Jesus described this paradise promised: No illness, bodily corruption, no sin – just love
- I cannot elaborate anymore from here as the Book of Revelation continues to unfold its secrets in these endtimes

#### **How worldly ambitions leave you empty (Subtitle 2)**

It is hard, I know, dear children to believe in a different world to the one in which you live. Remember that this world was created by God, the Eternal Father. Then it was soiled by the works of The Deceiver. He, Satan, is extremely cunning. You, My children must surely know that the worldly ambitions which you find insatiable do not fulfill you? You feel an emptiness which you cannot explain or understand isn't this so? And then you strive for more and more. But, yet, you are still not satisfied when you feel you should be. Why is that? Have you looked into your hearts and asked why? Why? The answer is very simple. God created mankind. Mankind was tempted by Satan. Satan exists in this beautiful world that My Eternal Father created out of pure love. Sadly he, Satan, will exist until My Second Coming. He will then be exposed for the sheer lies and deception that he has manifested in My children. By then it will be too late for many of My children including those who are unsure or hesitant in believing in the divine superior creation of My Father's Kingdom.

### *Commentary*

- As introduction, we will talk again here about the sacred traditions of the Church. We can summarize the sources of our faith into 2: the Holy Scriptures, and the Magisterium (but the Magisterium as the interpretation of the Word of God, is both written form or in the form of Tradition). The Protestants restrict themselves to Sola Scriptura or scriptures alone, so their focus is only in the bible
- So for Catholics, where the bible is silent on one hand, the sacred traditions of the Church have many of them on the other hand
- e.g. very little is known about Mary in the bible, but in the Gospel of James, the life of Mary starting in the conception, as a child, the names of the parents, Joachim and Anne are all found in the Proto Evangelium (1<sup>st</sup> gospel) of James
- The childhood of Jesus has very few details in the bible, but in the Gospel of Thomas, it even lists the playmates of Jesus, the groom in the wedding at Cana is actually one of Jesus' circle of friends, that is why Jesus and Mary attended the wedding because they are close to the family
- You know, the Vatican library contains 85 kilometers of books starting from the books of old are all there, and we only know just a few of them
- **John 21:25.** Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written
- **Hell exists both in the written and the oral traditions of the Church.** Many saints have been shown the vision of heaven and hell and purgatory as God wants to prove to the disbelieving world that these places exist and they are so real

- When God created Adam and Eve, they are destined to live in the first paradise in the Garden of Eden and by their disobedience they are cut off from paradise
- It is by logical reasoning that we will understand why would Satan be allowed to tempt our first parents in paradise. It is because of the mystery of the gift of free will. For sure, God did not create us just to act like puppets doing everything he says
- God wants us to choose HIM voluntarily. It would be funny if you would say, PLEASE, PLEASE LOVE ME, OR ELSE... You cannot force anybody to love you
- If it is a television broadcast, Satan wants equal air time. If God loves us so much, Satan equally hates us so much and he wants everyone to be dragged to his own side. Satan presents the worldly ambitions which you find insatiable so we will continue to our own perdition until the end
- Quote: "God created mankind. Mankind was tempted by Satan. Satan exists in this beautiful world that My Eternal Father created out of pure love"
- So as human beings, we exist side by side with the forces of both good and evil, and the deciding point is our free will

#### **Do not reject Me (Subtitle 3)**

Listen! I, Jesus Christ, the Savior sent to give you all a second chance to enter My Father's Kingdom hear now My promise. Listen to My voice, sent by divine grace through My visionaries and prophets in today's world and understand that all My children are equal in My Father's eyes. Those who follow Him are blessed but suffer torture for the souls who do not believe and who refuse to listen. God made the

world. It did not appear from nowhere. Man did not, nor could not, invent such a miracle which science will never be able to explain. The divine supernatural can never be truly understood until all children of God surrender in mind, body and soul to the pure love that I offer. Please, I beseech all of you do not reject your Creator. Please do not listen to the deceit of the lies you have been told by **The Deceiver, through divisions of the Free Masons, the Illuminati, the false prophets and the bizarre and totally evil cults** that have evolved through the naivety of Man.

### *Commentary*

- I would just categorize here the Freemasons, the Illuminati, the false prophets and the bizarre and totally evil cults as one united enemy of God
- Charles Darwin was a Freemason. Darwin became a Freemason in Scotland, and his grandfather and son also were Freemasons. Darwin forwarded the theory of evolution
- It is so bizarre that the human being created according to the image and likeness of God and, as theorized by evolution has actually originated from the monkey species. So here, the function of freemasonry is to dilute the creation story in the bible
- And freemasonry is everywhere, in all aspects of human life, construction and architecture, like the Washington monument, the Georgia

guidestones, in education, so they infiltrate the thoughts and principles and philosophies, so we now have Black Lives matter, we now have pro-choice in abortion, etc.

- We also have ecclesiastical freemasonry in charge of the ruin of doctrines and dogmas of the Church, that is why we are warned when the words of the Sacrament of the Eucharist will be changed. Infiltration of the Church from the inside
- The Illuminati is in the music industry, the symbolism of one-eyed Horus in the likes of Lady Gaga and Rihanna; the ancient demonic God of the Egyptians and the symbol of the pyramid
- And in the space technology and UFO stories. This is really mind boggling. I used to love UFO's and then as I followed through, it was revealed that the aliens are saying that they are our Creators!!! The aliens created us? Give me a break. Why would God need to ride on a spaceship? I was so turned off. As I have researched, every alien, no matter how benevolent they are, are just simply demons
- Apparently, they also want to mimic the 2<sup>nd</sup> coming of our Lord using the blue beam technology like Jesus appearing in the clouds using laser beams
- So these matters are so beyond our imagination. Only God can stop them and our role is to pray the Crusade Prayers because God will do the exposé, the dismantling and the ultimate destruction of our enemies

#### **Satan is real (Subtitle 4)**

Mankind is weak. Even the most holy of followers fall prey to the constant temptations of The Evil One. The problem is that they, those who seek pleasure, do not believe he is real. Others do know he is real and that he does exist. They are the ones who cause Me the most heartbreak.

#### **Wounds opening once again and festering (Subtitle 5)**

I am suffering to such an extent that the wounds inflicted upon Me at My terrible crucifixion, to which I succumb are opening once again and festering leaving Me in the utmost painful agony of body, soul and divinity. Yet I will never give up loving all of you. I call on you from the Heavens and on behalf of My Eternal Father who created each and every one of you out of pure love to stand firm. Reject Satan. Believe that he exists. Accept that he does. Open your eyes. Can't you see the havoc he causes in your lives? Are you blind?

#### **A message to the rich (Subtitle 6)**

To the rich I say stop. Think and ask God for just one moment. Is your role in living God's commandments pleasing to you? Does it feel right? Have you denied Me at the expense of worldly excesses? These same excesses and pleasures will leave you empty of heart. You will know, in your own heart, that it does not feel right. Yet you will still thirst for more of the empty, and yet exciting promises that you are given by the Deceiver in return for your soul.

#### **A message to those who follow the Illuminati (Subtitle 7)**

I implore all of you, especially My children who have been sucked into the Illuminati and other such evil entities. Once there you are doomed to eternal

damnation. Don't you understand that what you have been promised in return for your soul is a lie? A deceitful and frightening lie. You will never receive the gifts promised by this sinister messenger from the depths of Hell. As your Saviour on the cross, when I gave up My life to save you please do not let Me lose you now. I love you My children. I weep as I implore you one last time not to reject Me in favour of The Deceiver.

### **I will forgive all who confess (Subtitle 8)**

I cannot interfere with your free will because that is one of the gifts given to you when you were born in the light of God. I will be coming, as scriptures foretold very shortly – sooner than anyone can comprehend. The world will plunge into darkness and despair. Yet I will forgive all and every single one of my children who, when their sins are revealed to them, no matter how offensive they are – instantly at the moment of confession. They will enter body and soul into Paradise when Heaven and Earth will become one, where all of you will live for eternity with your Family for ever and ever.

### **Commentary**

- “I will forgive all who confess.” This is very beautiful because of this passage: “Yet I will forgive all and every single one of my children who, when their sins are revealed to them, no matter how offensive they are – instantly at the moment of confession”
- As I understand it, the sins are revealed to us during The Warning, and we are given the chance to reform ourselves and go back to God
- Jesus did not say “sacramental confession” but after the warning, the chance for confession will be provided with God’s grace. Of course no one knows how it will happen
- But in the gospel, the apostle Thomas did not believe that Jesus was alive again and Jesus dared Thomas to put his fingers on the wounds of His hands and His side. Thomas did not do it but instead he said: “My Lord and My God” and Jesus accepted it the title of Lord and God. The greatest confession ever
- I am thinking of people in the middle of the sea during the warning, the people working in huge underground cities enslaved by the Illuminati, there will be no priests to hear confession if it is a sacramental one
- Back in the 1980’s, there was a survey that the priest/penitent ratio is 1 priest for every 30,000 penitents. It’s impossible to do but for sure, God will find ways deemed impossible to us

So, I will not read anymore the segments left in Message 7 because as we read it, God already gives us somehow the understanding of it. I just elaborated some salient points that I feel needs to be tackled. You will continue the reading to the end. This message is signed or closed with Your Divine Saviour Jesus Christ

### **Promises that Paradise has to offer (Subtitle 9)**

No illness, bodily corruption, no sin – just love. That is the promise of My Paradise. No one will want for anything. Everyone will live in harmony, joy and love.

### **The reality of Hell (Subtitle 10)**

Do not reject this life for the life you have been promised by Satan! You are being lied to. If you follow this path where God, or Me Jesus Christ Your Saviour is not a part then you are on the path to eternal damnation. You will scream with terror when you realise the error. By then you will plea for mercy. You will tear at your face. Pull out your hair. But, because you have free will, a gift from My Father, it cannot be taken away from you. When you chose this false path you will suffer damnation and burn in Hell forever. It is very real. The biggest damnation is finally realizing that there is a God. That I, your Saviour Jesus Christ actually exists. And there will be no way, at that stage, to save yourselves.

**The greatest damnation when you know you will never see the face of God.** Your family may look at you from the other side. When that happens and you realise the awful truth it will be too late. Remember these words. The greatest damnation is when you know that you will never see the face of God. That will be the greatest torment and one that will stay with you forever in the fires of Hell where pain is constant and unrelenting. You will, instead of enjoying the Paradise promised to you, through the lies of The Deceiver, end up in the terrifying corridors of Hell. It is very real and represents suffering for eternity. Please, all of you who do not believe I am communicating with mankind I ask that you pray to My Sacred Heart. Pray My Divine Mercy<sup>[1]</sup> at 3 O'Clock each day. I will respond to your request with love which you will feel instantly. Hold My hand children. Don't let go. I love you all so much that I gave up My life for each and every one of you so that you could be saved. This time I come to judge. Much as I love you I cannot interfere with the gift of free will which was bestowed on you by My beloved Father. I hope, that through My modern day visionaries and prophets that you will finally listen. The truth is the way remember to eternal salvation and a new beginning when Paradise returns to Earth.

### **The lies of Satan (Subtitle 11)**

The lies, no matter how seductive, are just that. Lies – designed to steal the beloved souls that cannot be released by My Father, the Creator and Maker of Earth.

Your Divine Saviour  
Jesus Christ
