My beloved daughter I am so pleased at the way you follow My words with complete faith and obedience. My love for you is strong. So too is your love for Me. You now feel Me very close to your heart. You are one with Me now My daughter. I and my Eternal Father as well as the Holy Spirit, the Blessed Trinity, rejoice with your response to this very important calling. We, and all the angels and saints walk with you every day to protect you in this most sacred work. Take heart and continue to hold My hand. Allow Me to guide you in your words to give mankind a chance to finally understand the truth before the Great Warning. This great Warning, out of mercy and love as a last gift to My children, will happen soon.

Commentary

- Complete faith and obedience is congruent to oneness with Jesus, the Eternal Father, and the Holy Spirit
- We, (the Trinity) and all the angels and saints walk with you every day to protect you in this most sacred work
- You see, sometimes we are a little bit scared what other people say about us, what will happen to us in this mission but Jesus gives us a very clear assurance that the **whole of the heavens are with us to protect us**
- Let us rid ourselves of fear, if we will be fearsome, it will hinder us to perform the mission to make people understand the truth before the Great Warning

Back to Message

Every single one of My children will be shown their lives, their sins, their wrong doings and every single insult they were responsible for against their brothers and sisters, all during a mystical experience.

Not one man, woman or child on this earth will be excluded. Some will be deeply shocked and saddened by the sins in their lives and will immediately turn to Me, their just judge and redeem themselves. They will, out of love and sorrow, ask for mercy. Others will be so sickened and shocked by the way in which their sins will be revealed that they will drop dead before they have a chance to ask for forgiveness. And then there will be those who follow the Deceiver. They, in their terror, when they see the wicked sins in their past life flash in front of them will flee. They will try to hide but there is nowhere to go. Ducking and diving they will either accept what they see and ask for forgiveness there and then. Or they will turn away and squirm in shame and horror but will not ask for Mercy. Then there is the final sinner. When his sins are shown to him all he will do is argue and deny that he committed these grievous offenses against God's Commandments. He will simply deny the truth and turn his back into the darkness of Eternal Hell.

Commentary

First let us be mindful of this Message: The Great Warning – A Gift out of Mercy. The Warning stems out of a MERCIFUL GOD; not a PUNISHING GOD; nor a VENGEFUL GOD. Let us dissect the IMMEDIATE EFFECTS of the Warning face to face with the Mercy of God:

1. General Scope: Not one man, woman or child on this earth will be excluded. In our study of the Sacraments, in the Philippines, the age of confirmation for a child is 12 years old, while the age of reason is 14. But a child younger than 7 already has a sense of knowledge of right or wrong. There are more specific details in other BoT messages you can expand the research from our official source (i.e. that an innocent child will just cry and cry longing for the embrace of Jesus) here in this link:
<https://fatherofloveandmercy.wordpress.com/>
2. Some will be deeply shocked and saddened by the sins in their lives and will immediately turn to Me, their just judge and redeem themselves.

In the above, **THE MERCY OF GOD SAVES THEM**

3. Others will be so sickened and shocked by the way in which their sins will be revealed that they will drop dead before they have a chance to ask for forgiveness; the very reason I suppose, why is it that we pray for souls who will die during the Warning. Researchers have also confirmed in recent years what people long suspected: **Extreme stress can LITERALLY BREAK YOUR HEART**. With such horror your heart can break because of extreme stress when shown the magnitude of your sins. In this group of people, I remember the story of **Anton LaVey** the founder of the Church of Satan that started in California. While in his deathbed, he was mumbling with words and those in the bedside could hear him mumbling: Oh how wrong I am, Oh how wrong I am until he died. The horror of the sins committed can cause people to drop dead they will have no chance of asking for mercy, but you see, we pray for people who will die in this state. So here,

the way I understand it, in above, **THE MERCY OF GOD IS OBTAINED THROUGH THE PRAYERS OF HIS FAITHFUL CHILDREN.**

After all, what will be the merits of praying for those who will die during the warning, if we cannot obtain mercy for the soul who needs it the most. Our prayers will be useless. So God makes use of intercessory prayers as we all exist all as one in this great economy of God. We pay for their debts

4. This 4th group of people, when they see the wicked sins in their past life flash in front of them will flee. They will try to hide but there is nowhere to go, torn between asking forgiveness there and then or they will turn away and squirm in shame and horror but will not ask for Mercy. Even at this moment God still respects our free will. This is the state of the soul during the Warning but after the Warning is a period of grace, you are still free to choose. Have you ever thought of Judas Iscariot who betrayed Jesus as he lamented that now he found out that Jesus will die and throw the 30 pieces of silver back to the temple authorities. Judas realized his mistake but was

so overwhelmed with shame and embarrassment; if we are very proud we need a tremendous amount of humility to bow our heads. I suppose Judas finds it near impossible to admit his guilt because of so much shame; it is sweeter for him to die. We really don't know if Judas was saved. But if he repented before he hanged himself, he can still be saved, albeit, another added sin against the 5th commandment.

In the above, **THE MERCY OF GOD STILL HANGS, READY TO BE GRABBED ANYTIME**

5. Then there is the final sinner. When his sins are shown to him all he will do is argue and deny that he committed these grievous offenses against God's Commandments. He will simply deny the truth and turn his back into the darkness of Eternal Hell. This is the most lamentable group of people. I have shared to you before that the gospel will reach every corner of the globe. Everyone will be given the opportunity to listen to the Lord. The final sinner is given all the chances, he will still turn his back. You nearly died of sickness, but you recovered, you were almost killed, but you survived to live a new life. You were given all the chances to go back to God. You still refuse. God can no longer do anything. This is the SIN OF FINAL IMPENITENCE. To the last breath you remain unrepentant. The SIN AGAINST THE HOLY SPIRIT THAT CANNOT BE FORGIVEN.

In the above, **THE MERCY OF GOD IS LOST FOREVER**

No one will be turned away from My Mercy

Why won't My children understand this? If they are genuinely repentant and desire to come and live with Me on the new earth, where Heaven and Earth become one, why don't they ask for forgiveness. No one will be turned away from My just mercy if they show remorse. Yet, so caught up in their pursuit of selfish goals, they fail to grasp the consequences. Wake up now all of you. Accept, that with the changes you are about to witness, through the evil actions of mankind, the signs that have been foretold and which will pre-empt My return to earth.

Let me guide you to Paradise

Through this prophet and the Book of Truth, I plead with you once more out of My precious Love for you all, turn to Me now before time runs out. Let Me hold you in My Arms. Let My Love flow through you in mind, body and soul. Open your hearts and let Me guide you to My Paradise on Earth where you will enjoy Eternal Life. Why would you wish to choose the other doomed path to nowhere when the Truth has been revealed? My Heart heaves with worry and sadness when I think of My children who just refuse to accept the Truth of my Promise. I say, one more time, turn to Me now and talk to Me. Ask Me to come back into your heart. I will make Myself fit within your soul. I give you this promise, even for those most hardened of souls. Just one word is all you need to say. Ask Me to show you My Presence by saying:

Jesus I feel lost. Open my heart to accept Your Love and show me the Truth so that I may be saved.

My words of warning are not a threat. This event has been known since My death on the Cross. Why do you think it cannot happen? The Truth lies in the Scripture for all to understand. I will act as your Saviour right up to the last minute before I come as just judge so that I can finally lead My children to My family of great love, joy and happiness where will all live in harmony for eternity. Satan and his followers will be plunged into darkness forever. My family will witness the joy and Divine Heavens, which no man, were they to glimpse just a taste of what it promises, would turn their back on this pure happiness in My Father's Kingdom. Pray, pray for forgiveness and enter My Father's Kingdom in glory where you, and your loved ones, will be welcomed into the Light of Pure Love.

I will fight to win you all back

I died for all of you and I will fight to win you all back to Me, despite the darkness of evil in the world up to the very last moment. Please let Me show you how much I love you once more. Take My Hand now, place your head on My Shoulder and your gentle soul will be set aflame with a love you have forgotten.

Your Love Savior Jesus Christ
