My beloved daughter you will be sent guidance from a spiritual director soon. But remember many of My followers are called by Me but not all accept. I cannot, as you know, interfere with free will, a gift to mankind. No matter it is important now to continue with this urgent work so that My children will listen and be saved.

The Signs

Make no mistake change is afoot and shortly there will be so many signs that there will be few people on this earth who will fail to notice them. The signs I speak about as those which are being given through my visionaries through the apparitions of my beloved Blessed Mother in Europe. Many people who open their minds and unlock their trapped souls will understand that this communication comes from the Heavens. **When My children see the miraculous signs which will be visible through the sun they will then know the truth.** Ignore the scorn, ridicule and hatred that will be shown when people read the contents of this manuscript. The same thing happened to my apostles who with the gift of the Holy Spirit produced their work. You too, My daughter have been given this gift. Never reject it or doubt it. It is real and you now know this. Your doubts have, at last, begun to fade. I will, as I have told you, send you help. Evidence of this promise is now beginning to unfold. I will also give you information of future events which you must reveal to all including the disbelievers. What does it matter if they won't believe at first? Because as events roll out they will have no choice but to acknowledge the truth.

Commentary

- Back in the early 90's I was a teacher in St. James College in Mindanao Ave. QC. I was out of the seminary for more discernment. I was a high school teacher for 4 years
- It was July 6 I forgot the year, but it's in my journal, about 4PM I was hanging my laundry in the clothes line outside my sister's house in Novaliches because it was still very hot
- I happened to look at the sun while hanging my wet clothes and I saw the sun looked like a large white basin and I looked straight to it with my naked eyes. The sun seemed to pulsate like a human heart vibrating and turning or rotating left to right, right to left, and it is surrounded by colors that changed like halo on the side. I remembered blue then green and pink and violet emitting different colors
- So I shouted to my 2 nephews all young boys "Come here outside something is happening with the sun" and they ran outside and the 3 of us saw the beautiful strange phenomenon of the sun
- The next day I was back to school and we were in the library with my co-teachers reading the headlines in the Daily Inquirer that "thousands saw the sun dancing yesterday" and I told them that I saw it

- They were laughing and one said that “me I saw the dancing Sonny in the bar last night.” Of course, they do not believe
- At that time there were so many pilgrims going to Agoo, La Union because of the alleged apparition of the BVM
- I saw it a few more times but getting lesser in intensity. If it was the miracle of the sun, I really don’t know but until today I have a lasting imprint of that event in my heart that is why I can relate verily my experience to what Jesus is saying in this message concerning the signs in the sun
- So I have this to say as quoted from this message “What does it matter if they won’t believe at first? Because as events roll out they will have no choice but to acknowledge the truth
- Life continues, after 4 years of teaching, I was back in the seminary. It is sweeter the 2nd time around and I was finally ordained

Plan to orchestrate a war

There is a vicious plan underway by world powers to orchestrate a war – **the intention being to reduce the world’s population.** Pray, pray now to help deflect the level of damage these evil people want to cause on Earth. Their stupid allegiance to The Deceiver means that, through the Satanic powers they receive under his influence, they are determined to carry out this task at all costs.

Commentary

- The plan of the New World Order to reduce and maintain world population is literally engraved in stone
- The Georgia Guidestones erected in 1980 in Elbert County, Georgia, in the United States:

- In it is written the inscription “Maintain humanity under **500,000,000 (M)** in perpetual balance with nature”
- The current world population is **7.8 billion** as of August 2020 according to Worldometer; so they have to kill the huge remainder of the world’s population to fulfill the balance they seek
- We can now understand that all methods of destruction for the human race is now blatantly happening right before our very own eyes

- The wars, natural disasters using high technology like HAARP to create super typhoons and hurricanes (as in Haiyan or Yolanda) earthquakes and tsunamis using radio waves from the antennae in Gakona, Alaska, DEW (directed energy weapons high powered laser beams fired from space) as used in the recent California fires, food poisoning in agriculture by Monsanto practiced all over the world, water fluoridation, chemtrails in the air spreading aluminum, eugenics started by Margaret Sanger as early as 1930 and continued by Planned Parenthood until today, artificial birth control, genocide and abortion, virus production to effect global pandemics as biological weapons, nuclear wars, etc. Name it you'll have it. Human beings have been dying for centuries because of all these weapons
- Satan does not want the children of God to multiply so only few people will worship and adore the Most Holy One
- This is all supported by social engineering so people can understand and accept it psychologically and with good reasoning and the mainstream media would promote it without letup

Plans to overthrow Pope Benedict

Plans are also underway to take over churches and various faiths including the Vatican. My Pope, my beloved Benedict, is surrounded by those plotting his downfall. Other world leaders, unaware of the underlying powers hidden within their own ranks, are also going to be targeted with a view to toppling them. My children wake up and fight. This is a very real war unlike any war witnessed on the earth. It is a war on you, each and every one of My children. You are the target. The problem is that you cannot see the enemy. Cowards at heart they don't have the courage to reveal themselves.

Commentary

- **Prophecy Fulfilled.** On **11 February 2013**, Benedict unexpectedly announced his resignation in a speech in Latin before the cardinals, citing a "lack of strength of mind and body" due to his advanced age. His resignation became effective on **28 February 2013**. Pope Benedict is 93 years old today (1927), and Pope Francis who replaced is 83 years old (1936). The conclave could have elected a much younger papal candidate if age is reason enough that Benedict will be replaced
- **Prophecy Fulfilled.** The Wrath of God the Father will now fall, and quickly. Prayer must be conducted in groups all over the world because it will help avert some of these events. JTM Crusade Prayer Groups now flourished all over the world
- Message of June 6, 2011. Pray for My beloved Pope Benedict. He is surrounded by very powerful enemies of God. This is what we call **Ecclesiastical Freemasonry**. The few sacred servants in the Church are fighting against Freemasons in the Vatican. We have to know that the reason we are praying is because of the very fact that it is the fallout brought about by a very divided Church

- Masons in the Vatican? Here is the research I found: (Fuente: © Rodríguez, P. (2006). *Masonería al descubierto*. Barcelona: © Temas de Hoy, capítulo 21, pp. 377-385)
- According to the article: *"In sum, representing 2 per cent of the bishops and 7 per cent of the cardinals, demonstrating how vast is the power, - assuming that because they are Masons - they set the vast majority of Catholic church power"*
- **Prophecy for Fulfilment**. Prayer can help delay his imminent departure, when he will be forced to leave the Vatican as foretold
- In my own opinion, in the time that Benedict departs, I quote *"it will be the darkest ever to befall My sacred servants, Bishops, Cardinals and all true followers of Mine. The Keys of Rome will now be handed back to God the Almighty Father"*
- Question: Are we now in this time that God is directing us what to do through MDM? You can all reflect on this, but Benedict is still in the Vatican, yet so sick and frail. Is he now ready to depart? I mean, Benedict is now so ripe for an imminent departure to leave this earthly life.

Secret Meetings

Self-obsessed they meet in secret within your own community and are scattered in every walk of life. You will find them not only in the corridors of your Government but in your justice systems, the police force, business communities, education systems and the military. Never let these people dictate to you how to pray. Watch how they will try to manage your life and start preparing now for what lies ahead.

Warning on Global Vaccinations

First of all pray in groups. Pray for these people who are ardent supporters of Satan. Prayer will help to avert some of these disasters. Watch out for the atrocities they will try to **inflict through vaccination**. Trust no **sudden global initiative to vaccinate** which may seem compassionate in its intention. Be on your guard. Country by country these are colluding to control as many people as possible. Fear not because I will protect My followers who pray to Me. Pray too for those brave souls among you who have decided to spread the truth. Many of these people are being laughed at but they are speaking for the most part the truth.

Commentary

- **Prophecy Fulfilled**. Watch out for the atrocities they will try to **inflict through vaccination**. Trust no **sudden global initiative to vaccinate**. There are so many initiatives from many advanced countries of the world in the preparation of the vaccines, some are now in the testing stage like in UAE where 2,000 men and women volunteered to be tested
- **Take watch**. The Georgia Guidestones erected in 1980 in Elbert County, Georgia, in the United States already has the inscription of global depopulation to maintain a figure of **500Million**

- So the plan is already written in the huge guidestones, and it has been in their plan for a long time. How do we treat this?
- If the vaccination will be done in a global scale and through respective countries supporting it. What is the crux of the matter?
- The vaccines may come in different forms serving different purposes. What is the possible deception?
- The volunteers may receive the real and effective vaccines and they will prove to the world that it is effective, and the mainstream media all owned by the globalists would parrot the efficacy of the vaccines 24 hours a day without letup, hence, deceiving the general population
- **BUT, the biggest possibility is that the vaccines inoculated to the general population may contain other elements that could trigger death, therefore realizing the massive depopulation to a horrifying reality**
- Have you observed that popular people would volunteer for vaccination?

Stock Pile food

Do not rely on food suppliers. Prepare now for the future. Start collecting food and planting your own. Stock up as if a war is coming. Those who do will be alright. Prayer and devotion will strengthen your souls and save you from these people's evil ways. Never let them control your mind or beliefs through their insistence on introducing laws designed to destroy families. They will strive to separate families by encouraging separation including the promotion of divorce, sexual and religious freedom.

Commentary

- The preparation for this Message is so realistic to prepare ourselves collecting food (in a rotation cycle) and planting our own for those with backyards and small farms

Murder of World Leaders

They will promote hatred between nations, murder world leaders through assassination and capture people's liberty by forcing them to rely on their dictatorship. The wrath of God will shortly be seen as He will not tolerate their wickedness for much longer unless these people who have chosen to follow their Satanically inspired organisations turn their backs on this evil atrocity. Pray for them. Be careful what people in your countries you vote for. Watch how they are presented to you by the words they speak. Listen to those who are trying to warn you. I urge you to pray for those who don't so that they may be converted in order that they, too, can be saved. These events which I speak of are going to begin to happen shortly. Stick tightly together, keep your own food supplies ready, seek to grow your own vegetables and other survival items. This is a war against you but it won't seem like it. Just be on your guard.

Churches will be banned

Those of you who pluck up the courage to go back to your church never be fearful of praying or showing your faith openly. For those of you who take My church for granted then don't. For it is only when this very gift, which represents your faith openly, is taken away from you that the truth will finally dawn on you. And this will make you angry. My daughter, tell My people, not to panic. They My followers will be saved and will be lifted with Me into the clouds to await my new Paradise on earth. They will enjoy my New Paradise and will reunite with their departed families in this new Eternal Life. They must stay strong, pray and show love for one another. Pray, Pray, Pray especially for those lost, deceived souls who have no idea what their actions will mean for their future in the next life.

Those with lukewarm souls

For My other children, those with lukewarm souls, pray also. They must turn back to Me and soon. Children, for the love of one another, do not hesitate to warn these people of the truth. Show them, through example, the importance of prayer so they too will not be lost. Stay strong. Never surrender to the army of the Deceiver. Ever. Stand up for what you believe in. Protect your family now. Turn back to Me. Pray My Divine Mercy every single day. For Christians everywhere pray the Rosary. Let my Mother bring you back to me through her intercession. My children I cry for you all and need my followers now to gather in force with Me against this Evil. Prayer is the answer.

Your beloved Saviour Jesus Christ
