My dearly beloved daughter today is a day when My heart is broken by the unrest and deep unhappiness in the world. I watch in despair as the world rises in anger against each other. Much of the sadness springs from the knowledge that these prophecies will unfold yet much of mankind will be none the wiser.

Pray for Russia to be consecrated to My Blessed Mother

They still refuse to acknowledge that these events were foretold in the Book of John. So so many will now suffer because of lack of faith. Pray now that Russia will finally relent and allow itself to be finally consecrated in My Blessed Mother's name. Pray, pray, pray for this to happen. Because it will be through prayer that this great achievement will be possible. If this happens then millions will be saved. For the danger is that the communist forces will rise with the serpent and join together leaving you, My children, powerless. Look now at the velocity as the nations rise to fight. The speed of global events will cause much consternation as these unfold in their intensity. My followers you must listen. Prayer groups will be essential in spreading conversion and to diffuse these disastrous events. Even those of you, complacent in your lives where you take everything for granted, you will no longer be able to ignore these events. You must listen to me now and accept that those events predicted in the Book of Revelation are coming to pass. Hold your hands in prayer now. Even if you hold just a spark of affection in your heart for Me ask Me to hold you so that I can ignite and strengthen your faith in Me.

Commentary

(This is just an addition to what has been discussed in the last conference we have about the Third Secret of Fatima last May 13, 2020)

- On June 13 1929, Sr. Lucia now a Carmelite nun reported (the date is the day she reported, so the request of the consecration happened earlier), she said that while she was praying in chapel, she experienced a vision in which the Blessed Virgin said that it was God's will that the Pope, in union with all the Bishops of the world, consecrate Russia to her Immaculate Heart
- Why would Mary ask for a consecration? Here is the background
- 1848 - On this year, the Communist Manifesto, was written by Karl Marx through the Communist League. Russia is the birthplace of Communism. From there, the principles of communism spread throughout the world. Today most of the communist countries have already become free republics. Three hardline countries remain, China, North Korea, and Cuba
- 1917 – after the victory of the Bolshevik Revolution the USSR was established as a huge conglomerate of socialist or communist republics
- 1927 – Lucia reiterated that “What Our Lady wants is that the Pope and all the bishops in the world shall consecrate Russia to her Immaculate Heart on one special day. If this is done, she will convert Russia and there will be

peace. If it is not done, the errors of Russia will spread through every country in the world.”

- March 25, 1984 - Pope John Paul II consecrated the entire world (not explicitly Russia but the entire world) to the Immaculate Heart of Mary with an implicit reference to Russia in St. Peter's Square, Vatican City
- November 9, 1989 – less than 5 years after Pope John Paul 2 made the consecration, the Berlin Wall collapsed (the concrete wall dividing East and West Berlin in Germany) signaling the end of Communism in Eastern Europe, but to this day the consecration remains controversial
- Why is Russia not explicitly mentioned?
- The Vatican promotes a friendlier relationship with the Eastern Bloc communist countries at that time, the name of Russia should not be mentioned in particular because it can sour and muddle the efforts of friendship
- Russia is not Roman Catholic in religion and to specifically consecrate Russia by the Roman Catholic Church may offend the sensibilities of the Russian Orthodox Church. The consecration of Russia obviously posed a very tricky religious and political problem for Pope John Paul II. The pope, not wishing to offend the sensibilities of our Orthodox brethren, remained cautious
- The Vatican claimed that Sister Lucia declared in writing in 1984 that the consecration performed by Pope John Paul II in St. Peter's Square, in the Vatican City, on March 25, 1984 had been properly accomplished and was accepted in Heaven
- **BUT**, the authenticity of this statement is not accepted, however, by some leaders at the Fatima Centre including Fr. Nicholas Gruner and Christopher Ferrara and many other conservative Catholic Church figures
- Today, the Russian Orthodox Church loves the leadership of Vladimir Putin as it has financially benefited from close ties to political-economic oligarchy that controls Russia to build or restore about 25,000 churches in the past 25 years
- So if we ask today is Russia now converted after the various consecrations? Many opinions say NO. Why?
- After the USSR crumbled, Russia rested for a while, then rearmed itself, and recouped, and returned with a new version of its militant nationalism to wreak havoc at home and abroad
- Russia's massive use of propaganda for political power shows that it has not been converted
- Russia's press is not free and Putin's government penalizes journalists for not conforming to its increasingly strict definition of acceptable views and is expanding its control over broadcast and print media
- Putin is also modernizing Russian nuclear weapons and it used of military power to weaken Ukraine. It only shows that it has not been converted. Russia also invaded Eastern Ukraine following its takeover of Crimea
- Russia's aircraft weapons undoubtedly shot down Malaysia Airlines Flight 17 and murdered 298 civilians, mostly Europeans which until today remained a mystery

- And today Russia has the largest stockpile of uranium, the most dangerous element on earth used in the building of nuclear bombs. Russia holds the potential of destroying the whole world in minutes
- Sister Lucia, in a 1946 interview with author Walsh, "made it plain that Our Lady did not ask for the consecration of the world to her Immaculate Heart. What she demanded specifically was the consecration of Russia
- She did not comment, of course, on the fact that Pope Pius XII had consecrated the world, not Russia, to the Immaculate Heart in 1942."
- The Church has not fulfilled half of the promise made by Our Lady of Fatima. The Blessed Mother never has, and never will, mislead her son's Church. If she promises, she delivers true to her word
- If we members of the Church had fulfilled our duties and responsibilities, Russia today would be a far different country and the security of many nations would not be imperiled by Russian aggression as it is today
- We cannot afford to lose any more years of handwringing and failing to courageously seize Our Lady of Fatima's promise of peace
- Here lies the duty of all JTM Crusaders to continue to pray more than ever for the consecration of Russia to the Immaculate Heart the soonest. Let us never tire doing it
- The rest of Message 21 is about Jesus exhorting to us how much love He has for us
- And He promised to fight for each one of us even if we doubt Him, no matter how grievously we sinned
- I will expound the above a little further why Jesus have to fight for our salvation: Remember that Jesus has already finished His work of redemption for all of us

IF WE HAVE FOLLOWED ALL HIS TEACHINGS; BUT SO MANY OF GOD'S CHILDREN VIOLATED HIS LAWS AND SO MANY ARE LOST. AND BECAUSE OF SO MUCH LOVE HE CANNOT AFFORD TO LOSE ANY ONE OF US. GOD HAS TO GATHER ALL THE LOST CHILDREN AND WE DO OUR PART THROUGH OUR PRAYERS OF SALVATION OF SOULS

- He said also when our life on earth comes to an end we will have two choices in the afterlife. Heaven in Paradise or the depths of Hell with Satan
- Oh what a loving God to cherish!!! Amen

I will fight for each one of you

I will fight right to the bitter end to bring you all closer to My heart, whether you are a child, a teenager, a young adult, middle aged or old – in My eyes you are all the same. You are My precious beloved family – each and every single one of you. No one is excluded. Even those of you who do not accept that I exist. Even those of you who do but hate me – I still love you. My love is passionate beyond your knowing and I will do everything in My power to bring you back into My fold. I will not give up your soul to Satan that easily.

Please turn to Me

Please turn to Me – no matter how many doubts you hold – and let Me fill your heart with My Divine Love. Just one taste of that love will help you prepare for

Eternal Life in Paradise with Me, My Eternal Father and your brothers and sisters. This is your inheritance. Your rightful inheritance. Don't squander this chance of salvation. When your life on earth comes to an end you will have two choices in the after life. Heaven in Paradise or the depths of Hell with Satan who will take you with him through the sins he tempts you to commit on earth. Open your eyes now. Remember death on earth can take place on any day, at any time and when you least expect it. Through this message I beg you to see the truth before the Day of Judgement. Always remember I love you. No matter how grievously you have sinned. When you turn to Me and ask Me for forgiveness from the bottom of your heart you will be pardoned. Even during your last breath.

Your Beloved Saviour Jesus Christ
