

Message 0023 – Persecution of Genuine Visionaries
On November 29, 2010 @ 12:48 PM
Message Reading – @Abel Zv
Date of Input and Sharing – August 18, 2020

My daughter, write this to warn the world of the persecution being inflicted on My chosen souls sent to the world to impart the truth in order to save souls in advance of My Second Coming. You will notice that My chosen visionaries, seers and prophets are the ones who will be rejected outright over and above the false prophets. These beautiful souls of mine, chosen for their simple devotion, will suffer in union with Me, the rejection that I suffered at the hands of mankind. Those who suffer in Me, with Me and because of Me are the genuine prophets. They are the souls who will be tormented, treated with contempt and condemned outright on My behalf. They will also be rejected by My own Church though not by all My sacred servants. Devout followers, who follow My teachings closely, will also be tempted to reject them until, in time, the truth will slowly dawn on them.

Commentary

- In this input I would like to mention the places and the visionaries that are also mentioned in the messages of the Book of Truth
- We have to do this so that we can have a logical reasoning how the messages are interrelated implicitly so that we avoid the scorn that as if the followers of the messages of different visionaries would scoff each other as if one visionary is better than the rest. Know for sure that God's messages given to different prophets serve a purpose that does not contradict each other **in a specific period of time**
- Here are a few of the Heavenly Revelations that are quoted by the Book of Truth (you may add to this if you found more)
- Quote 1 from: **Prophecy at Garabandal Will Now Become a Reality (May 31, 2011)**

"While many of My loyal followers are alert now, to the changes coming, so many have no interest whatsoever in the warnings given to the world by My beloved Mother up to now. The prophecies given at Garabandal will now become a reality"

- I was still working as a seaman on board ship traversing Japan and the US West Coast when I read the Book Our Lady Comes to Garabandal by Joseph A. Pelletier. So I was really observing how the prophecies will unfold. What fits the Garabandal message is really the prophecy of the future popes and it will be followed by "el fin de los tiempos" or "end of the times" or endtimes. I will not share on this because I may fall into error, but for many years I already have an insight on this
- It describes about the "Avizo" or the "Warning"
- And today, Conchita Gonzales holds the key to the date of the Warning. She is to reveal it at an appointed time. In Garabandal when the visionaries are pressured to reveal the dates and they want to give in to the pressure,

suddenly, they will not remember, anything. Heavenly messages are so guarded

- So, as a reminder as faithful followers of the BoT, we are not to look at ourselves that as if we only have the monopoly of the truth, but it is better not to compare our mission with that of others. But note, Garabandal is mentioned in the Book of Truth
- If we will not be guided on this, we can easily become fundamentalists
- Quote 2 from: **Message from Virgin Mary: I will appear only a few more times in the world (August 3, 2011)**

"I have been sent so many times to encourage prayer throughout the world and yet, my warnings to children throughout time have been forgotten. Today when I make myself known through visionaries in various countries, not only are they ignored, but they suffer ridicule. My presence and the signs I show in the skies and other manifestations are rejected. Even priests and bishops ignore my warnings. They, too, have turned away from a belief in Divine interventions. How blind they are to reject help from me their beloved Mother"

*"My child, remind my children that **I will appear only a few more times in the world because the time has come for the final battle when I will crush the head of the serpent**"*

- So this is a very strong reminder for us that the Marian apparitions after this date **August 3, 2011** will just be the few apparitions that Mary has mentioned and I do not have a list on this
- So what should we be mindful about this? **"I have been sent so many times to encourage prayer throughout the world"**
- Outside of the Book of Truth, God, is also working. God works in all the religions of the world. Remember the disciples? "Teacher, said John, we saw someone driving out demons in your name and we told him to stop, because he was not one of us". What did Jesus say?
- "Do not stop him, Jesus said. For no one who does a miracle in my name can in the next moment say anything bad about me, (Mark 9:38-39)
- I would understand this that this is the reason that we pray for the unity of all the crusade prayer groups around the world (Monday Theme CoP 97)
- Quote 3 from: **Virgin Mary: End Times Prophet Guided by the Heavens (December 16, 2011)**

"I love you, my child. You are fully protected from harm. Do you not notice how little you are affected now when attacked by others for this Work? This is the grace of armour"

- What is the character of true visionaries? They are protected by God. They will be persecuted but they are protected and so they withstand persecution. Mary revealed this protection to MDM as the **"Grace of Armour"**
- Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. (Matthew 5:11)

- This is the character of a true, genuine, authentic visionary. All the visionaries experienced this. The children of Fatima, La Salette, Garabandal, and MDM is no exception
- The persecution may come to us in its most subtle form a “wry” smile from their faces, Jesus has warned that to all His followers
- Quote 4 from: **Virgin Mary: Time for the Triumph of My Immaculate Heart Not Far Away (January 2, 2012)**

“There will increase now a widespread jealousy of all visionaries and holy messengers in the world. This has been foretold for these are among the many saints of the end times. Their lot is hard and they will suffer intensely because of the tasks accorded to them. My child, I call on all those who revere me, their Blessed Mother, to pray to me for the protection of visionaries and end time prophets. They need your prayers. If you have doubts about these souls who have been chosen to impart the Truth to the world, then pray for them regardless”

- True visionaries are so criticized, but the false ones they do not experience this, they also suffer but not to the extent like the genuine visionaries for the purpose of confusing the believers
- MDM suffered so much, so that when the messages are all given, the website has to close

- Quote 5 from: **Mother of Salvation: These Apparitions will Begin This Spring, as My Son Has Instructed (January 24, 2014)**

*“My dear child, let it be known that I will make one more appearance at all the Marian grottos, which were approved by my Son’s Church, over the centuries. I will make myself known in Sacred sites, which will include **Lourdes, Fatima, La Salette and Guadalupe**. I will also appear at **Garabandal**. These apparitions will begin this Spring, just as my Son has instructed. I will be seen, by chosen souls, with the sun behind my head. There will be twelve stars encircled and woven around the crown of thorns, which was worn by my Son during His Crucifixion, placed upon my head, as a sign for all to follow my example. My role is to lead all of God’s children along the Path of Truth and take them to my Son. When I appear one last time at these sites and present myself as the **Mother of Salvation**, you will know then that this Mission is my last and that all apparitions lead to this final one to bring the world the Salvation, which is the birthright of every single person”*

- So from the Message of 2011 “Message from Virgin Mary: I will appear only a few more times, now we have answers for that in the Message of 2014: “I will make one more appearance at all the Marian grottos”
- What are they? **Lourdes, Fatima, La Salette, Guadalupe and Garabandal**
- So we are safe here, outside of these in the context of the Book of Truth, we cannot really be certain. So, that is a very strong reminder for all of us
- Quote 5 from: **Mother of Salvation: The Time for the Prophecies of La Salette and Fatima to be Fulfilled is Very Close (August 13, 2014)**

"My dear children, the time for the prophecies of La Salette and Fatima to be fulfilled is very close. You must not fear these times but, rather, embrace them for you must know that My Father's Covenant will be finally completed as it was meant to be. The antichrist will, eventually, take up his seat in my Son's Church on earth and nothing will prevent this from happening. Many will deny the prophecies, which I revealed to the world and they will do this at their peril"

- So as the prophecies unfold, I personally believe and in my own opinion we are already in the Book of Revelation
- I researched about **Medjugorje in relation to the Book of Truth** but strangely, I found nothing. Apparitions in Medjugorje went on for more than 30 years about 2 decades earlier than the Book of Truth. However, I want to share to you this, my personal email correspondence to MDM: (this is totally unedited, the exact words in her email dated 4 July 2011, 3:50 am GMT+8)

*"It is I Maria the visionary. thank you so much for your words they really make me think. Since I began receiving these messages I feel as if I got on a roller coaster ride and cant get off it. Before this I was not a very holy person with only a basic understanding of Catholicism. I had not been to confession for over 20 years and rarely received the Holy Eucharist. I feel I was literally snatched from obscurity the obscurity of spiritual ignorance to do this work. I never hesitated because I could see Jesus visually from the picture I had beside my bed. I had, however, a lead up period to this. for nine months beforehand I visited two shrines one in Knock, Ireland and the other **Medjugorje**. I saw the Blessed Mother consistently for nine consecutive months at these and another shrine. I felt compelled to them. It was like a tremendous urge"*

- So you can deduce from here. MDM has been a pilgrim of Medjugorje
- So there is no need for us to be troubled with other visionaries. We focus on the Mission for the Salvation of Souls here in the BoT, that is what we are called for
- After all, Joseph Gabrielle has already told us in the May conference on Fatima that the public apparitions in Medjugorje has already stopped

Back to Message

Since the beginning of time when I chose to send prophets into the world, out of My Divine Mercy[1], to remind you all of My teachings, very few were believed at first. Many were scorned and viewed to be suffering from a vivid imagination, depression or simply condemned as being deluded. Most of these prophets were, themselves, overwhelmed when they experienced their first divine encounter. Many of them doubted these mystical experiences for some time before they accepted the authenticity of them. They were slow to reveal their experiences to any. It took them time to accept. All of My chosen souls, while accepting their calling, were reluctant to reveal the messages or instructions from Me even to those sacred servants of mine including nuns, priests, bishops and cardinals. They felt in awe of these people and knew, in their hearts, that the questions imposed

on them would be very difficult to deal with. Many who were called did not reveal their messages and used prayer and personal suffering to carry out their duty to Me. Others who did reveal the messages, as instructed by My Blessed Mother and I, were not believed. It was only through the Divine manifestations which became evident in time that they were believed.

I urge all My followers to listen to your heart. Look at the messages imparted by My precious visionaries and seers. These messages are being given to you out of pure love to help guide you and save souls. That is the objective. If you decide that they are not of Divine origin pray for guidance. If you decide that they are then pray, pray, pray for My visionaries that they will be listened to. Now let Me warn you of the signs to watch out for when My genuine visionaries are persecuted in my name. Followers of the Deceiver, seeing their light, will target them not lightly but with a viciousness that will take your breath away. Not only will they torment them through ridicule but they will go to tremendous lengths to discredit them. And all in My name. The pain that My disciples suffer is nothing to the pain that it causes Me.

My suffering has reached such a level in recent times that I am reliving, all over again, the terrible torture I endured when I died for your sins. All sins. For all mankind. Including those who torment Me and My visionaries. Including those murderers, those people who publicly deny Me and boast about it and for the terrible evil in the world at present.

Please listen to My visionaries. You will feel it in your hearts when you hear the truth. Please do not fall into the trap of those who persecuted the visionaries of My Blessed Mother including St Bernadette or My little children at Fatima. They were treated with the utmost disrespect especially by My sacred servants. They are the ones who hurt the most when My Divine manifestations are given to mankind out of love. My heart suffers more when they do not believe in the supernatural Divine nor recognise it when it is presented to them. Please pray for My visionaries and especially My visionaries whose messages cannot be denied for the love they show and the warnings they contain. For they are My true visionaries. You will recognise them by the insults, slander, torment and abuse they receive at the hands of My children.

If you look at the abuse they receive and then look at the lies that are spread about them in such a demeaning way you will then have to ask yourself. If this person has been tormented so far and not believed why does the abuse continue so harshly? Then you will have your answer. Pray to the Holy Spirit for guidance in discerning My true prophets, visionaries and seers from the rest who are deceiving you.

Your beloved Saviour Jesus Christ
