Yes My beloved daughter I am back. Write this. You, My daughter, having turned your back on Me by denying the truth will now help Me lead My people back to the light, the light of the truth.

No man will be denied the chance by Me to see the truth of God. They will be shown mercy by the gift of proof to be given to them that I exist. They will be given this gift when, during The Warning, they will finally know the truth. Sadly not all will turn, even at that stage, towards Me or My Father's Eternal Kingdom.

My daughter I have not communicated with you for a number of days. This was deliberate. The time afforded you was to allow you digest carefully the content of My messages. You will know by now that these messages come from Me and they all deal with very important issues. I think you can now discern the truth of My teachings between that of your imagination.

*Commentary*

- Let us play a little with numbers here as to the dates of the messages
- The first message - Message 1 was the First Message from the Virgin Mary on November 8, 2010. Message 24, the Quest for Wealth was given November 30, 2010. So, in a span of 22 days, Maria received 24 Messages
- And the message sharing today is Message 25, entitled the Warning to Mankind to Understand the Truth was given December 7, 2010
- How many days have spanned between Message 24 and Message 25? Seven (7) days. Maria is given a specific number of 7 days to digest the messages!
- And Jesus said, I quote from this message: "My daughter I have not communicated with you for a number of days... the time afforded you was to allow you digest carefully the content of My messages"
- Of course the no. 7 is very symbolic in the Scriptures God rested after 7 days of Creation. Maria is given 7 days of rest, to meditate, to pray, to analyze, and to digest the messages
- Here is the screenshot from my personal archives the days spanning Message 1 to Message 24 in a span of 22 days and Jesus comes back after Maria's rest of 7 days

0026	Message 2010 12 11 0915AM - The Next Life

- And the heavens and the earth were finished, and all the host of them. And on the seventh day God finished his work which he had made; and he rested on the seventh day from all his work which he had made. (Gen. 2:1-2)
- So this is so symbolic that our beloved prophet MDM is given all the 24 messages with all the enormity of the contents of every single message delivered, and after 7 days of rest both for Jesus and Maria, Jesus visits again to tell her The Warning to Mankind to Understand the Truth
- Every message received is so enormous in contents so the chosen prophet MDM no doubt, also received enormous grace to understand the messages separate from her imagination as Jesus told her

- There is always a balance in the spiritual realm. St. Paul says: Where sin abounds, grace abounds all the more. When God reveals His messages, God also will give us the grace of wisdom to understand
- When God gives the grace of conversion, Satan would also thwart the convert with lies; hence, all the doubts, and the confusion so we would not believe. This is actually the balance of free will at play. But of course, the common denominator in all the examples, at all times, the grace of God always pervades. Grace abounds all the more
- So how do we understand this? We are given now the messages. And of course these are just the first 24 messages, the First Crusade of Prayer "My Gift to Jesus to Save Souls" will still have to come a year after on November 17, 2011
- I personally believe and in my own opinion that the 1<sup>st</sup> 24 messages is PREPARATORY as it addresses humanity in general about the necessary cleansing and purification: a preparation for all groups of people in the civil society and in the Church, and also for both believers and unbelievers. The messages are also unmasking the true nature of those who hate the Church especially those covert organizations, secret societies, and gigantic business conglomerates of the elites
- It is as if Jesus is saying that now, I have given you the summary of what will happen, the panorama of the events, the abstract (if you defend a thesis, you will read to the panel the abstract of the contents) AND NOW YOU MUST UNDERSTAND THE TRUTH. Look at the title of this message: **The Warning to Mankind to Understand the Truth**. A warning to understand the truth after the preview is given! So, if we fail to understand the truth, what now? Sorry, we shall be!

My daughter you can see now the hurt and despair I feel when you witness almost daily the frustration that I, and My Eternal Father feel at the attitudes of this sad, empty and disbelieving world. Not only do the disbelievers cause you pain, but through the gifts and graces that I have given you, you also see the confusion that exists even in the minds of my followers. They too are not easily convinced by the truth when it is given to them as a gift of love from Me through My prophets

### *Commentary*

- MDM is made to see the hurt and despair of the Father and the Son brought about by the ungrateful and disbelieving world. Heaven is so offended
- MDM is also made to see the confusion of the followers. We are the followers, and MDM is made to understand what is going on with us as we struggled through the confusion to believe or not to believe in the many revelations given

- This is one of the many gifts a genuine, true, and authentic prophet receives from God, because God speaks through them. They are given the grace to see the truth from the layers upon layers of lies and deceit
- The same gift is given to the followers, we are also given the grace to be able to discern the truth covered with layers of lies so that the lie can only finally appear as true. The JTM Crusaders can discern that. It is a grace brought about by the recitation of the Crusade Prayers
- Can you imagine, Jesus only teaches a single prayer to his disciples, only the Our Father, the Pater Noster. And today, we are now praying hundreds of Crusade Prayers, 170 to be exact in my personal archives, **AND ALL WRITTEN IN HEAVEN**
- These are revelations! We are now in the Book of Revelation! So many things are revealed!
- We are now in the Book of John the Evangelist! So many prophecies are unfolding!
- We are now in the Book of Truth prophesied by the prophet Daniel!
- And the once secret book now lies open before us!
- Many religious and lay commentators and podcasters in the internet would write that the **VEIL IS NOW LIFTED**. The reason why there are so many exposés are happening. This has never happened before, the intensity of knowing how corrupt the world has become
- So many wrongdoings are uncovered. So many secret societies are now unmasked before us. Indeed, we are now in the Book of revelation. Believe it or not, **we are now crossing the threshold of hope** as St. Pope John Paul 2 has described in his book
- Just to give one example like Bill Gates. Why in the world would he suddenly become a major proponent for global vaccination? Because of corona virus? Who is he to tell us to inoculate every citizen of the free world? Who is he? But no, more people died of ordinary flu! Are we dropping dead by the minute? No, we are still praying right now
- Only Google says that we are dying as all numbers you research it will always match the dead or the infected. The lies are so blatant and now they are losing the narrative that they constantly repeat
- While the elites use technology to destroy humanity, at the same time their own technology also works against them

What a long winding road this is for My children when striving towards the truth and the promises that I have given them. Looking at My children every day, in person, on the street, on TV, in the media and amongst your neighbour you see them through My eyes now. What do you see? Total oblivion to the spiritual world and a lack of real purpose in their lives. A sense of hopelessness despite the attractions of worldly pursuits. My children do not realise it now but they are going

through a cleansing. This purification, where they are experiencing an acute sense of emptiness due to lack of material goods has been allowed by Me. Yet it has all been caused by the greed of mankind. By allowing people the right to their own free will, then they, the evil perpetrators of the collapse of the banking system worldwide will continue with their cunning deceit. I have allowed My people, the innocent victims, to undergo this cleansing. It is very important that they do because the hardships that they endure will help cleanse their souls. Very soon as material goods become less and harder to attain they will see life in a deeper way.

Simplicity will help open their eyes to the truth, the truth of what is really important. Without this purification, when My children are permitted to suffer for the sake of their souls, they cannot and will not become closer to My heart. Stripped bare of the material goods for which they held such an idolatry obsession in the past, they will turn back to the truth. With clarity they will see the love in each other's souls. So too will they very quickly see the evil in all its ugly glory in those who follow the lure of self obsession and greed. They will now view these people, who are given credence in the media as being those one should look up to and admire, in the same way in which I view them. That is with utter despair and sadness.

#### *Commentary*

- So as a summary, God is giving us a day of rest to reflect and understand what is happening around us and after our rest, He comes back again to check on us "Do we now understand the truth?"
- Yes we do, and we are now fighting the final battle

Go now My daughter and understand your task with clear eyes. You now know the truth. You no longer doubt. Spread the truth of salvation as soon as possible to afford people the chance of redemption before the Great Warning.

Your beloved Saviour Jesus Christ
