*Notes: Commentaries are in bullets*

My dearly beloved daughter you are ready now to move forward and continue with the task of completing My Holy Book of Truth. You, My daughter, have been undergoing the cleansing required to give you the strength with this work. My children, so caught up in this world of two parts, do not realize that soon all will be one.

The two parts involve sorrow and joy. Sorrow exists in the world in a way that causes deep confusion and despair. It is a sorrow unlike any other since the foundation of earth. The sorrow that is felt today is based on loss which has come about because material things have been taken away.

There is also the longing for peace in mind, body and soul. This will only come about through humility, acceptance and love of My Eternal Father. Then there is the joy. I smile with love when My children laugh, smile and enjoy themselves. This is a gift from Me. Laughter and joy is an important gift to mankind once it is pure and not at the expense of each other.

*Commentary*

- The two parts involved here sorrow and joy. Let us dissect SORROW first
- The sorrow that is felt today is based on loss which has come about because material things have been taken away; the deprivation of material things causes sorrow; we are in sorrow when we are bereft of the material things we need
- The sorrow of today is not like any other sorrow since the foundation of earth – to be honest, I do not really understand much about this passage. Does it mean that the past thousands of years the people do not really care much because they have less wealth, less education so they have less freedom because they do not know their rights?
- Or they do not care much because nature abounds with what they need; if they are hungry so many wild fruits in the forest, if they want fish the rivers can provide it because the water is not polluted. Unlike today if you have no job, it is difficult to survive
- Another kind of sorrow is the sorrow we feel when we long for peace in mind, body and soul; and what is the antidote for this as mentioned by Jesus? Such longing can only come or realized through humility, acceptance and love of My Eternal Father
- Hence, sorrow cannot be eradicated without humility, and if we do not accept and love the Eternal Father. Now, we understand from this message that proud and arrogant people simply do not have peace of mind as simple as that because arrogance is so opposed to humility

- Now the second part, joy. Let us dissect JOY here
- I smile with love when My children laugh, smile and enjoy themselves – Remember this is Jesus talking: (this is just an insert) the use of “My children” and above in the first line of the message “My dearly beloved daughter.” This is just to finally quell the mindset that Jesus is separate from the Father, Jesus is one with the Father.
- Jesus has no children biologically it is all about the mystery of the Holy Trinity that makes the possessive pronoun MY interchangeable as to who the possessor is; the Father or the Son
- So God smiles with love when His children are happy and enjoying the blessings of life. God is present in the joy and happiness we feel. When we surprise our office mates with just a small cake for his or her birthday, everybody is happy. If we win in a raffle and we are so happy, God is also happy
- What is the theology behind happiness? If there is peace and joy, in the person, in the family, in the community, the devil has no chance, he is immediately defeated. The devil flees from a happy home
- So remember this, as much as possible do not allow doom and gloom to permeate in your home, because when we are sad, the devil can make plenty of machinations. Rather, if we cannot solve a difficult problem, accept it as a fact, as a reality, offer it as a sacrifice, and stay away from it to avoid harm on those you love
- “This is a gift from Me” as Jesus said. Laughter and joy is an important gift to mankind once it is pure and not at the expense of each other. We do not make others a laughing stock
- People who are not happy because the others are happy are actually envious

My children of little faith it is hard, I know, to stop and say I am turning back to God. So many of you are aware of who the Eternal Father is. Few understand that he watches over them every single day of their lives each and every one of them.

He smiles, laughs and feels a great sense of joy when his children are happy He does not, however, look with favour on those whose joy, or assumption of joy, is achieved without love in their hearts. I, Your Saviour, Jesus Christ, love you all My children too. Yet I am one with My Eternal Father. I smile on you all and hope that you will come back to Me.

### *Commentary*

- Jesus here laments the children with little faith even though they are aware of who the Father is; that He watches them every single and every one of them
- Here, the traditions tell us, that everyone of us is guarded by our individual guardian angels; there is even a guardian angel for every country as

revealed and introduced in Fatima as the Angel of Portugal, hence, the Father protects the whole world

- Jesus also reveals that it is not in the favor before the eyes of God that if we are happy (or we assumed that we are happy) if there is no love. Just simply logical, because real happiness involves love and not devoid of it

Come on to Me My children as one and move towards Me with open hearts. For many of My children the messages which refer to My Second Coming on Earth strikes fear in their hearts. There is no need to fear. This will be a moment of absolute joy, glory and pure happiness. Because for all of you who turn your hearts back to Me I will hold you in my arms and will cry tears of joy.

Believers please, please pray now for those who do not believe or who have lost their way. The farmer who rounds up his flock will always strive to seek out relentlessly the ones who are lost. The sweetness of victory he feels when they come back with his fold is similar to that feeling I get when My lost children return to Me.

### *Commentary*

- Here, Jesus is virtually begging those who are lost to go back to Him and be ready for His 2<sup>nd</sup> coming and NOT TO BE AFRAID
- Oh, it is so touching and so intimate, if we turn back to Him, "I will hold you in my arms and (I) will cry tears of joy. Jesus will cry for us? What a beautiful God we have!
- "Believers please, please pray now for those who do not believe or who have lost their way."
- The joy of heaven will not be complete even if one is lost. One soul cannot even equal the worth of a world of gold
- All the JTM crusaders all over the world must never tire praying for the lost souls

#### **Empty Path to nothingness**

Children who sneer and deny Me will tell you there is no life after this one. Let Me assure you they are not only denying themselves access to Paradise. Instead they are choosing an empty path to nothingness.

In some cases, they are following the deceit of the Deceiver- the Evil One – who moves so silently and with a deadly prowess, that they, not believing he exists, follow blindly holding his hand through the gates of Hell.

### *Commentary*

- We now come to the core of the message, **THE NEXT LIFE**
- There are two things here for those who deny the existence of the next life: 1. Shut themselves access to paradise, and choose nothingness 2.

Because they deny the existence of the Evil One, they are following blindly through the gates of Hell

- From the No. 1 above it would appear that the denial of the existence of life sends you to nothingness. What is nothingness? The description is figurative which means, void, abyss. It is still hell
- From the No. 2 above is the denial of the existence of the Evil One. If there is no evil, there is also no angel, there is no God and therefore, just enjoy all the pleasures in life that we know as the philosophy of hedonism. Only pleasure counts in life whatever is the cost, and there is no need to be good, because there is no next life
- Two denials: existence of the next life and the existence of the evil one
- Revelations from the Book of Truth – there is no more purgatory when the new heaven and earth will become one. There is only the new heaven and earth, and hell
- The No.1 and the No. 2 will all end up in hell

#### **My suffering in Garden of Gethsemane**

When My believers see these people strut arrogantly and boasting of their atheism, they feel a terrible suffering. They, who have taken up my cross, feel the agony I suffered during my time in the Garden of Gethsemane.

This is where I knew that, even though I willingly made the ultimate sacrifice when I accepted death as a means to give My children a chance to win a place in My Father's Kingdom, that deep down it would not make a difference to some of My children. This was the worst agony and the one that made Me sweat blood. The terror I felt for those lost souls still exists in Me today.

### *Commentary*

- According to the mystic St. Faustina Kowalska, the reason why Jesus experienced the horrors of Gethsemane and sweat it out with blood is that He was shown the future state of his followers who have become lukewarm – meaning, they were once faithful and have become lukewarm
- (lukewarm here I believe is euphemism for abandonment or betrayal)
- I quote from the 9<sup>th</sup> day of the Divine Mercy Novena where in it is reserved the most difficult intention:
- "Today bring to Me the Souls who have become Lukewarm, and immerse them in the abyss of My mercy. These souls wound My Heart most painfully. My soul suffered the most dreadful loathing in the Garden of Olives because of lukewarm souls
- They were the reason I cried out: "Father, take this cup away from Me, if it be Your will." For them, the last hope of salvation is to run to My mercy."
- Imagine the horror of knowing that the ultimate sacrifice of Jesus on the cross would just seemed for nothing by these lukewarm souls

Those of you who ask - if you are God, or you are Jesus Christ, then surely you can do anything? My answer is, of course. Except for one thing. I cannot interfere with your free will given to mankind. It will be up to My children to make this their final choice of their own free will.

YES, GOD HAS ALL THE POWER TO DO EVERYTHING AT THE FLICK OF HIS FINGER, BUT, EVEN GOD WILL NEVER INTERFERE WITH OUR OWN FREE WILL. WE ARE ALWAYS FREE TO CHOOSE AND WE WILL NEVER BE FORCED TO LOVE. IT IS SO MYSTERIOUS, BUT GOD IS ALWAYS BASED ON LOVE. LOVE IS EVEN HIGHER THAN JUSTICE. LOVE IS ALWAYS VOLUNTARY AND FREE! GOD WILL NOT MINGLE US IN THE NEXT LIFE WITH ALL HIS CHILDREN WHO ARE JUST THERE BECAUSE THEY ARE FORCED TO LOVE HIM. IT IS NEVER SWEETER THAT GOD WILL FORCE US TO LOVE. IT IS SWEETEST IF WE ARE FREE AND CHOOSE TO LOVE HIM.

Your loving Christ. Your Saviour.  
Jesus Christ
