Notes: Commentaries are in bullets

Well now you know that what I promise comes to fruition. I have sent you a spiritual director, the person I chose right at the beginning of your journey. It takes time for the chosen few to take up the cup for My work. My daughter you need a spiritual director so that My messages are fully understood by a servant of mine. That way the word will spread and people will realise the truth. This will be a path full of bumps and short laneways which appear suddenly to throw you into a different direction but have no fear. You are now being guided and will feel a greater confidence with your work.

Commentary

- This message is one of the few messages that is lengthy and there are also sub-topics. This one has 8 sub-topics so I limited my reflections to the main message and the 1st sub-topic only for the sake of brevity
- Jesus made it clear to Maria that what He promised will come true and one of them is the spiritual director. Please bear in mind that this is just the 28th message given to Maria. The spiritual guides chosen also have their own free will to accept or refuse the duty to do it
- I quote: "It takes time for the chosen few to take up the cup for My work." Maria herself said in her email to me said that some of them refused. "Cup" here is euphemism for suffering (that spiritual directing entails)
- The need for a spiritual director is very important because the SD has many years of formation in the seminary, and studies, and the like; especially in looking at the messages against the backdrop of theology. We can easily err if we are not guided properly as not one person is given the monopoly of truth. God's wisdom is given to all according to God's holy design. With an error of judgment we can be so stubborn on clinging to what we solely believe which could easily lead us towards fundamentalism

Now write this. The book of Truth is being presented to mankind to help them redeem themselves in My heart. They are being given a choice to proclaim My glory before I come back as a merciful saviour and just judge. I never want to inflict punishment on My children but, in certain circumstances, those who partner the Deceiver in full knowledge and who place him and his evil minions in such high regard, to the point of paying homage to him before an altar, cannot be saved. They know who they are. They will find it very hard to turn back to Me. Pray for them.

Commentary

- I quote: "The book of Truth is being presented to mankind to help them redeem themselves in My heart"
- As early as the first few messages have come out in what we know now in book form as the Book of Truth, I am already using the contents in my preaching ministry, albeit, in a very prudent way
- One religious friar censured me (these are not the exact words he said but along this line of thought) "It is impossible that we need to believe in a "new bible" at this time, the bible is already finished, we cannot have another one
- I told him, we do not have a new bible, nor believe in the new bible, the Book of Truth is the bible itself, but the only thing different is that all the prophecies contained are now revealed before us in such enormous details. Can you stop God's intervention? Can you stop God conveying to His prophets to make known His message? We cannot stop God and we can never stop God from doing so
- Of course, he is a classmate of mine and is highly educated and has just finished his doctoral degree in Rome at that time so I do not pursue the argumentation
- That was about a few years ago and last March 2020 when the covid 19 has locked down the city where he lives, he called me by phone and told me in a worried voice, now I know that you have answers to what is happening around now. I just said "Yes"
- This is a faith experience that I am sharing. The Book of Truth helps mankind and I quote: "They are being given a choice to proclaim My glory before I come back as a merciful Saviour and just Judge"
- "..... those who partner the Deceiver in full knowledge." Well, there are really people who are so obsessed with amassing wealth, fame, and power. These 3 things are in partnership; wealth brings power and fame, power brings more wealth and fame; and when you are so famous, albeit "infamous" you will protect such fame because nobody should besmirch your reputation
- Now when at the height of power, comes corruption and abuse, because power corrupts, and absolute power corrupts absolutely
- I have read the lives of people who are into the occult. They really want power so they can take revenge of the people they hate, they are so jealous of others and so they cast curses or spell to destroy the person. They dabble into witchcraft because it brings them power and fame and eventually wealth
- So we now understand why Jesus said that "They will find it very hard to turn back to Me. Pray for them"
- Why? Have you not read in reports that famous and powerful people, when the dirt they hide in their closets are now discovered, the corruption they did for many years, they will cover such dirt with all the power that they can do even to the point of assassinating their enemies, destroying people, destroying governments and organizations just to protect themselves

- They cannot bear the shame that their families, relatives, friends, business associates will now know that they are so notorious in character, yet, so respectable and dignified in the higher echelons of society. So when they cannot cover up anymore, they just commit suicide, or some of them are suicided to protect others. They would be so proud and arrogant to accept the many unpleasant and ugly facets of their lives so they better kill themselves. Of course, we do not know if they repented, if they do, they will still be forgiven
- These are the people that Jesus requested that we pray for them, because they cannot help themselves anymore, because they are already trapped in the depth of lies. They need intercessory prayers, they need the prayers of others

Who Satan Attacks

The Deceiver has very little time left on earth to wreck havoc and so he has intensified his activities everywhere. He targets mainly my sacred servants in My Father's Church, the young and the beautiful as well as the highly intelligent. Those who continue to boast that they do not believe in Me or My Eternal Father will be given just one more chance to open their hearts. It pains Me to watch them. It is like looking at a car full of people, My precious children, driving during a thick fog towards a cliff. They have taken a wrong turn and now, while believing they are heading back to the comfort of their own homes, are about to plunge into deep darkness without any hope.

Commentary

- If Jesus has been telling us in the messages that "time is so short," then, so be it. The realm of time in heaven is actually timeless, only we, mortals have hours and minutes ticking, but Jesus said time is short, who are we to question?
- And so the deceiver is also running out of time. The devil races for time and he wishes to destroy God's plan to the maximum as much as he could
- 1st target, the Church. This has been going on for decades. The silent infiltration of the Church through Ecclesiastical Freemasonry. The slow, covert creeping villains wearing the garb have been doing this for decades; changing the doctrines, the dogmas, and even planning to change the narrative of the institution of the Holy Eucharist. Watch out when the words of the Consecration will change.
- 2nd target, the young and the beautiful. Did you ever think why a kid like Greta Thunberg from Sweden would travel around the world and promote the farce global warming at first, but scientists discovered that the world is not getting warmer, and so they changed it to climate change? If you research on this, this hoax is really about trading and commerce, and taxation. It started with the Club of Rome attended by the richest businessmen of Europe

- So the young beautiful celebrities would sing and dance gyrating to the rhythm of loud and dirty music. Have you observed the concerts? The movements are so grotesque, and the audience would flash the signs in worship to Satan. Concerts like the half time in Superbowls have literally become the altars of Satan
- 3rd target. The intelligent. These are the social thinkers, those in the media, all handsome and beautiful in all the largest broadcasting networks in the world. News anchors and editors can sway public opinion so the bias in the newscast is perpetuated. Choose the alternative media and you can discern which to follow. Today, much of the media is already losing the narrative because so many truth(ers) have sprouted all over the world
- So these people would promote the many rights that are so wrong, abortion rights, gay rights, the Black Lives Matter, same sex marriage which now destroy the meaning of a family, extreme feminism, toxic masculinity, etc.

Of course, the main target is the Church, because the devil wants to sit even at the pinnacle of the Church and he wants the whole world to worship and adore him. He wants to be like God. I might be very emphatic in saying this, but, these things are prophesied a long time ago beginning with the prophets Ezekiel and Daniel.

But, even during the time of Genesis 3:15 [Douay-Rheims Bible](#) "I will put enmities between thee and the woman, and thy seed and her seed: she shall crush thy head, and thou shalt lie in wait for her heel." This final battle all began in Genesis, and it is as old as the world. Now, we participate as courageous warriors in this final battle and God himself is the commander in chief of the army.

Here ends the input

Prophecies foretold will now be revealed

To get My children to listen will not, My beloved daughter, be easy. You must persevere despite the obstacles. Patience is important. These messages are very precious and full of love as well as warnings. They, My children, must stop and understand that the prophecies foretold so long ago will now be revealed. These events are about to take place on this earth and the time is very very short.

I will never reveal date of My Second Coming

I will never reveal to you the date of My Second Coming My beloved daughter because that is not for your knowing. But before I come I am communicating with the entire world now so that I can show My children My just mercy.

My Mother working on my behalf

My beloved Mother, working on My behalf, is spreading messages through the chosen visionaries. Other chosen prophets are suffering privately, by choice, to save souls. I allow them suffer My pain as a gesture of such enormous generosity

by these most devout believers. They are responsible for the salvation of many. But they suffer not only the sufferings endured by Me on the cross, but feel the pain I suffer today. In addition, they suffer ridicule, abuse and mockery from time to time. Yet through their humility they endure in silence or, in some cases, for all to see. Others, My sacred servants who opt for a life of solitude do me a great service. Their special sacrifice of self denial again helps to save souls.

Gifts from God taken for granted

Communicating the truth in a modern world, where technology has been taken to such dizzy heights, is difficult. My voice is like a faint cry in the wilderness shoved to one side in favour of titillation. My children fail to understand all the wonders that are brought about for the good of man through technology is a gift from the Eternal Father. All the wonders of drug development for the good of mankind is also a gift. Yet these gifts are taken for granted because My children think that this is all man's doing but it's not.

Gift of Intelligence

The gift of intelligence, just like the gift of song, is a gift from the Divine Realm. And it is precisely because these are gifts from God that they are targeted by Satan, The Evil One. It is through his influence that technology is tampered with to destroy and cause destruction in the world. How he laughs when he sees wars erupt and when technology is used to spy or kill. How he laughs again when the technology of medicines is used not just to kill but to justify the killing. All these frightening crimes against humanity, enabled by technology, are being hidden behind the façade of so called tolerance.

Tolerance as a mask for evil

Tolerance can be the most perfect mask for evil. It is clear for anyone who is alert, through My teachings, to immediately spot when these crimes against mankind unfold before your eyes. In the name of tolerance people are murdered, denied their freedom and, above all, the right to fight for moral justice. Oh yes children be aware, alert and on your guard when you hear the word "tolerance" as it is one of Satan's favourite games of deceit.

People fail to stand up for Christianity

My children, despite the world of modern communications, fail to stand up and admit their Christianity. This is mainly because of the fact that they, most Christians, live in the Western World. They are scared that they will be laughed at and bullied. They are absolutely correct. They will. But heed this. My children always suffer some kind of ridicule when they take up My cross. They can then be sure that they are doing my work. He who suffers on My behalf will receive great blessings and many graces. But the Christians who do fight for the right to proclaim My name in public will suffer the most. He or she must stay strong. You are My hope on this earth. Without My devout followers, My children cannot be taken over that final threshold to My Father's Kingdom. I love all of My followers. I am in their hearts and they know this. Heed my word now through this prophet. Do not ignore these messages. They will help, through word of mouth, save millions

of souls throughout the world before my Second Coming. Go now in peace and love.

Your devoted Saviour Jesus Christ
