Notes: Commentaries are in bullets

Heed this My daughter. Mankind is being warned, through these messages, of the axe that will befall those who continue to reject the Eternal Father. The time is drawing close for the advent of the Great Tribulation. This event will **commence from the end of 2012** and must not be confused with the time or the date for My Second Coming on Earth. For this, My children, is not being foretold in these messages. Anyone who attempts to give My children a date for My Second Coming is a liar and not a true prophet. I am, however, revealing years of specific events leading up to my Second Coming, through this prophet.

Commentary

Some Date Analysis (Jesus said that He will never reveal the date of the Warning, but Jesus reveals the date of the 2 Tribulations: The Tribulation, and the Great Tribulation). So we are safe to give some analysis to this part of the message. I quote: "I am, however, revealing years of specific events leading up to my Second Coming, through this prophet"

- **2010 Message – The title is: The Great Tribulation dated December 20, 2010** - This event will **commence from the end of 2012** and must not be confused with the time or the date for My Second Coming on Earth
- **2012 Message – The title is: You are now in the middle of the Tribulation – Latter half end of 2012 dated July 20, 2011** - You are now, My children, in the middle of what is called the Tribulation as foretold in My Holy Book. The second part, the Great Tribulation will commence as I have said before the end of 2012
- From the dates presented, it appears that there are 2 Tribulations and they are:
 - 1. Tribulation** – described by Jesus in the message of 2011 as the middle of the Tribulation, and therefore, the year 2011 is already a part of the Tribulation and described as the Middle Part
 - 2. Great Tribulation** - The Great Tribulation will commence at the end of 2012 (obviously, the month of December 2012 to be specific)
- So we are now in 2020 and the Great Tribulation has been going on for almost 8 years already since the end of 2012
- So what is Tribulation or the Great Tribulation?
- From: <https://www.biblestudytools.com>. **Tribulation** is the trouble or affliction of any kind "tribulation and anguish" are the penal sufferings that shall overtake the wicked. The word denotes the calamities that were to attend the destruction of Jerusalem.

- From: <https://www.biblestudy.org> "During the great Tribulation, the devil will deceive the entire world into worshipping him in the form of the end time Antichrist (see Revelation 13:1, 4). He will eventually gather all the armies of the world to fight against a returning Jesus Christ (Revelation 16:12, 14)"

God won't allow plan to deplete world population to happen

The Great Tribulation, as foretold so long ago, will now unfold before the eyes of a disbelieving world. This is when the sword of justice will strike everywhere. My Eternal Father is not prepared to stand back and allow the evil plan, being plotted right now behind closed doors and designed to deplete the world's population, be realised. This evil group, devout followers of Satan, have attempted in the past to inflict genocide on my Father's children. They failed. They are trying again. They will fail again but not before they cause terrible destruction.

Commentary

- So with this prophecy, it is really a great consolation for us, because as I have researched the cure for cancer has been discovered since 1929. But until today people are still dying of cancer, but they haven't killed us all. This is already a mitigation that we always hear because of our prayers
- Did you know also that one of the agenda of the Illuminati (CoP 117 this evening) is to feed the people with the food that they like? SWEETS!!! How many millions are maimed or dead because of diabetes? They don't actually kill us fast but slowly, so they prepare medicines that perpetuate the disease until we die, so that we will depend on their meds produced by the Big Pharma that they also own. Killing while earning
- Why did the bible say that one of the signs for the end times is that there will be wars and rumors of wars? To kill the people, but it will not always be a full war because if the warring nations will all be dead, there will be no more market for the armaments they sell. It will be a low intensity conflict or a protracted war for long term purposes. Killing while earning
- Weather manipulation – They manufacture all disasters through technology. I have already shared this to you a few times
- Now the Covid 19 - ongoing
- And so many other examples

Believers should not fear

My Eternal Father, in His mercy, will have to intervene to stop them even though it pains Him to unleash the global disasters that lie ahead. Believers do not fear for yourselves or your families. You are being protected. But please please pray the Holy Rosary and My Divine Mercy at all times to help ease and avert some of these disasters. Start planning now. These people, as they attempt to control your money, your health, your food and even your faith must be fought. Stand up and protect yourselves and your families using prayer. Call on all those saints you revere to aid you as intercessors of my Eternal Father.

Commentary

- So God has to intervene as a form of purification and that the unleashing of global disasters will purify the people and the land; I quote: "it pains Him to unleash the global disasters that lie ahead."
- But, "Believers do not fear for yourselves or your families. You are being protected... but please, please pray the Holy Rosary and My Divine Mercy." This is another consolation and we are so grateful. God is protecting us

Back to Message

As these global disasters commence with dramatic changes in weather patterns – which have already begun in a mild form – they will be seen as the result of global warming. Yes, mankind has damaged the earth in a very ugly manner but these disasters will have nothing to do with climate change. My Eternal Father could, if he decided, sit back and do nothing. Then these evil power hungry and deluded groups of powerful decision makers would win. By sucking My innocent children into their snare of hypnotic allegiance to Satan, The Evil One, they would steal souls. That will not be allowed.

Commentary

- So in this message Jesus Himself refutes global warming and climate change that the media constantly repeats over and over again. How beautiful it is that we who believe in the BoT is guided by the very God that we love
- You can feel for yourself as you go through with all the messages, there is always that mystery that we are drawn to it. Why? Because this is the Book of Truth. The truth will set us free from all our doubts

Calling all religions to join together

It is time now for my Father's children and followers, as well as those who believe in the superior being that is God, the creator and maker of all things, to join forces as one. Irrespective of which path you follow God, or whether you believe in Me, his only beloved son, stand together as one. Fight the group that represents the Evil One. He is your enemy if you believe in God, the Eternal Father. He is trying to stop you from entering Paradise by lying to his followers that he, too, will take them to an equally beautiful divine paradise. Those poor deluded and trustworthy followers cannot see through the deceit because they are blinded by the lure of materialist glory.

Commentary

- In God's time, the union of all religions to join together will come into fruition. For so long, the Church continues to pray for Christian unity. But this one is a union for all religions
- Have you not observed that what the Church prays, the devil would mimic
- The union of religions, obviously will not be from the New World Order

- Just to be honest with you, I already received requests on this, but I cannot comment

Prophecies in Book of John now come to light

Pray, pray, pray all of you every single day. Very soon all will understand the truth of Holy Scripture. All will understand, finally, that the teachings contained in my Father's Book are accurate. They don't lie. Prophecies foretold in the past came to light. Prophecies contained in the Book of John will now come to light. These messages given to this prophet are to prepare My children to enter My Father's kingdom. Go now spread My truth. Save each other from the clutches of the Deceiver before it is too late.

Your loving Saviour Jesus Christ.
