*Notes: Commentaries are in bullets*

I am the beginning and the end. It was through Me that My Eternal beloved Father created the world and it will be through Me that it will end. I am the light and the Saviour who will bring all those who believe in Me into the promised Paradise. Those who, despite all My teachings and the efforts of My prophets, still refuse to accept Me will not enter My Father's Kingdom. Those of you who have been given the gift of the truth through the scriptures must open your eyes now and accept My teachings and the prophecies given to My prophets. The time is finally approaching when I will return to Earth to reclaim My beloved followers. Through My modern prophets, I will sadly though still be rejected. You all must listen and read the messages from Me which are being given to you out of mercy and understand the significance of them.

*Commentary*

- I quote from this very important statement from this message: "I am the beginning and the end. It was through Me that My Eternal beloved Father created the world and it will be through Me that it will end"
- And in support to the preceding in **John 14:6** Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me"
- Now we go back to the creation story in **Genesis 1:26** during the creation of man and God said: "**LET US MAKE MAN** to our image and likeness: and let him have dominion over the fishes of the sea, and the fowls of the air, and the beasts, and the whole earth, and every creeping creature that moveth upon the earth"
- This is a revelation of the dogma of the Holy Trinity that from the very beginning Jesus is already with the Trinity. "**LET US MAKE MAN**" proves only that throughout the work of creation God is not alone and Jesus is with God and in fact as Jesus said: "It was through Me that My Eternal beloved Father created the world and it will be through Me that it will end"
- How do you understand this? Jesus is given the full power and authority for the affairs of the world especially in these last days and together with the role of the Blessed Mother
- How? And why do you think that the dogma of Mary as co-Redemptrix is still not proclaimed until today? "Co" is from the Latin "cum" which means with. Co-Redemptrix means Our Lady is one with the Redeemer
- Answer: The free will of the human authorities in the Church simply hinders the unleashing of the full power of the BVM as one with the Lord. The deceiver wants to subvert the free will of men and that includes those who are in the higher positions of authority in the Church. The same controversy why the full consecration of Russia is still yet to happen

- This is very important in this message because for centuries the false teachers, the false prophets. They have been attacking the Lord for so long and it continues to this day, and at the same time also attacking the BVM since time immemorial until today
- If the doctrine of the Holy Trinity will be subverted, know for sure, the people propagating it are deceivers
- There are already many religions professing to believe in God but rejecting Jesus as a God, that Jesus is just a prophet just above the stature of man and also rejecting the BVM as pure and Immaculate Mother of God
- I have already shared to you that the BVM is already in the shadow of the Holy Trinity since the beginning of time
- So count with your fingers the religions who believe in Jesus but only considers Him a mere human being and a prophet. Count with your fingers the many religions of the world who reject the salvific role of the BVM and count with your fingers the religions who do not believe in the Holy Trinity
- And you will know who are the false teachers and the false prophets

#### **My Teachings have never changed**

You must remember that My teachings are the same as they have always been. Those who come in My name must be watched carefully. If they proclaim My word then they are of the light. When you find My teachings to be changed in any way that seems strange to you walk away. Do not listen. These unfortunate people have been tempted by the Evil One to distort My teachings deliberately to lead you astray and confuse you. Any doctrine that has not originated from Holy Scripture and which claims to proclaim the truth is a lie. This is a sin against Me and is a grievous attack on me and My Eternal Father.

### *Commentary*

- All I can say here is that the doctrines, the dogmas that we have are all based in Scriptures. And to be more specific about it, we have the CCC (Catechism of the Catholic Church) as reference
- Every household must have a copy of this book because if you look at the 10 commandments like commandment no. 6, thou shall not commit adultery – it does not define only adultery as a sin but all the sexual sins in this category are defined. Where does sex liberation is based from? Or fornication or self-gratification or divorce are based from?
- If you go to the sacraments it will tell us what matrimony is. So where does same sex marriage is based from?

#### **False Messiah**

These false teachers will begin to make themselves known all over the world shortly. You will find them everywhere shouting at the top of their voices. Seeking attention. Some will impress My children to such an extent that even My genuine followers will believe they have special divine powers. One, in particular, will exalt

himself to such lofty heights that people will mistakenly believe him to be the Messiah. It is going to take a lot of courage, single mindedness and strength for My children to stick by Me and allow me to guide them through this dangerous jungle full of demons. The demons now being unleashed by Satan as the last days begin to unfold will come disguised as My followers and prophets. They are now colluding to target My genuine visionaries, seers and prophets. They will try to seduce them with false doctrine. They will twist the truth to suit their immoral ways which, from an external perceptive, will be hard to discern. My devout followers, sacred servants and prophets will know immediately who these evil people are. They will find their declarations to be painful and disturbing but what will cause terror in their hearts is the fact that so many Christians will fall for their charming personalities. So convincing will they be that many will draw the very Sacred Servants who have designated their lives to Me and my Eternal Father into their evil snare.

### *Commentary*

- I quote: "They will twist the truth to suit their immoral ways which, from an external perceptive, will be hard to discern"
- St. Paul also said: <sup>15</sup> "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. <sup>16</sup> You will know them by their fruits. Do men gather grapes from thorn bushes or figs from thistles? **(Matthew 7:15-16)**
- Back in the 80's when the charismatic movement was very popular, true enough, the discernment of spirits is very difficult to do, because the deceiver mimics everything that God does
- This is also what Jesus is saying in this message that the spirits are difficult to discern
- That is why the BoT provides for us the Discernment Prayers: **Litany Prayer 1** - Protection against the false prophet; and found on the Saturday Theme: **Crusade Prayer (44)** - Strength to defend my faith against the False Prophet, **Crusade Prayer (51)** - For the Gift of the Holy Spirit, and **Crusade Prayer (74)** - For Gift of Discernment
- So we are warned of this, because even St. Francis of Assisi, our Holy Founder said that "even the elect will be deceived" that is why the tribulation must be shortened
- The JTM Crusaders must never tire praying, and through the prayers of discernment we will make our faith foundation, rock solid

#### **Call on Christians to stand up**

Those devout followers of Mine blessed with the graces of the Holy Spirit I call on you now. Take up your weapon of faith and stay strong. Challenge them. Teach people the truth by reminding them constantly of the truth which is contained in My Father's Book – the Book of Truth. These teachings will last forever. It may be difficult for you, My children, to stand up and be counted but hear Me now. If you do this you will help souls. Your brothers and sisters in the world are your family.

I will bring you all with Me into the Paradise which I have promised all My children. Please, please help Me not to leave any of you behind. It will break My heart if I can't save all My beloved children. It will be through prayer, sacrifice and perseverance on the part of My followers everywhere that My will, will be granted. Take up the cup of salvation now in My name. Follow me. Let Me guide you all. Let Me embrace you in My heart as we unite together to save mankind from the Deceiver. Remember this. I love every one of my children to such an extent that victory, without bringing all of them into eternal life, will be bittersweet and will break My heart. Pray. Pray. Pray now all of you and remember the words – I am the Alpha and the Omega.

*Signatory of the Message:*

Your Beloved Saviour Jesus Christ,  
King of the Earth and  
Just Judge for All of Mankind
