Notes: Commentaries are in bullets

My dearly beloved daughter I am full of joy today now that this important series of messages are being prepared for release to all mankind. You will find soon that all countries will search out these messages. Don't worry about your safety as I will protect you and your family at all times. Although I am full of love for you My child, My heart is breaking with deep sorrow for the suffering which is being inflicted by the cunning society plotting to take over countries. They will do this by cleverly removing Leaders.* Then they will offer help. Then they will buy the friendship of new regimes until they control them. This new control will be worse than the power hungry dictators who were toppled in the name of freedom.

Commentary

- As the messages spread all over the world through the internet Jesus assures MDM: "Don't worry about your safety as I will protect you and your family at all times"
- This is a very important reminder to all of us doing the mission of salvation of souls, that although many messages warned us of persecution, Jesus is also at the same time is telling us that we will be protected from harm. Always remember this, FEAR IS NOT OF THE LORD
- The spillover of this rise of the Arab world is the persecution of Christians in this part of the world, thankfully today, the tide of persecution has ebbed
- What is happening now is the opposite: the Muslims are converting to Christianity en masse and in secret. I discovered this because I watched an Arab show and

one imam complained on television that many Muslims leave Islam and convert to Christianity. There is also one Catholic broadcast beamed to the Middle East and the station has so many Muslim followers

Watch now, My daughter the speed at which the Arab world will unite against My people, the Jews. Watch how all their allies will fall away leaving them exposed. My daughter, when the Warning takes place, My word will be heard more readily after the conversion takes place. This will be the time for My holy followers to unite defiantly against the tyranny that will emerge in the Western World especially in Europe. Fight for your right to pray. If you don't it will not be a religious war but a war of genocide.

Commentary

- The salient point of this is actually the manipulation of the Arab world by the cabal or the elites under the guise of promoting democracy by overthrowing dictatorial or authoritarian leaders
- This is politically coined as the Arab Spring where a series of democracy-ruled revolutions sprouting all over the Arab world began in Tunisia, spreading to Libya, and Egypt, and Syria
- Once the leaders are overthrown they will influence the new ones under their control and perpetuate a state of civil war between political parties creating a low intensity conflict where the elites supply armaments to both sides of the war. The real beneficiary of the Arab Spring is really the cabal or the elites as they profit whatever is the situation; peace or war
- The aftermath of the Arab Spring did not really bring democracy to the Arab nations. Libya for example, remained in a state of conflict pushing the Libyans to

migrate to Europe in boats contributing in part to the massive migration problems. The Libyans are actually happier and more prosperous under Gaddafi. We have missionaries in Libya and they can attest to this

- Since Qaddafi's downfall, Libya has remained in a state of civil war, and two opposing governments effectively rule separate regions of the country. Libya's civilian population has suffered significantly during the years of political upheaval, with violence in the streets and access to food, resources and healthcare services severely limited, so they have to migrate
- One group however really flourished in the Arab Spring – and what is it? ISLAMIC FUNDAMENTALISM in the name of ISIS. Muslim extremists or Muslim fundamentalists HATE BOTH JEWS and CHRISTIANS. This was the time that the caliphate was born and they boast that they will rule the world. God did not allow this, thankfully with the advent of Pres. Donald Trump, the Caliphate done by ISIS crumbled to pieces as fast as it has risen
- Today, Saudi Arabia is now cleansed of corrupt politicians that ruled for many decades under Mohammed bin Salman, the Crown Prince of Saudi Arabia
- God is now winning in the Middle East. Intel reports reveal that the gold standard will now replace the petro dollars (X22 report YouTube). Once the Arabian oil dries up, these nations will be impoverished as the USA is now the world's largest producer of oil. The petro dollars will end
- This is the reason why we are praying for the good leaders of America. The Americans have a prophetic role in this war of salvation of souls because of its wealth and military power

- The Deceiver loathes for the destruction of Israel and the eradication of the Jewish race from the face of this planet because Jesus is a Jew
- And mind you, Donald Trump is so friendly to Israel. The most powerful nation is friendly the Jews!!!

There will be three world leaders assassinated shortly one by one. Remember that each one will be assassinated through the plotting of the Evil Group – the sub cultural organizations that rule in all nations though you cannot see them because they are cowards. But not for long will they hide. When control is in their grasp they will strive for your attention and demand respect. The Warning will help save all My children everywhere. Conversion, a gift from Me, will be given to even those who plot and scheme to win control over God's earth. If they could only understand that this power will never be theirs they might stop. But they are blind.

More of My angels** who now infiltrate the earth as human beings will help show these poor misguided souls the truth. Many will convert. Others won't. My daughter go spread the word quickly. You have only weeks. Use every tool available to you. Show courage. Do absolutely everything to allow all of My children, all nations to understand the meaning of My special gift – when My hand reaches out from Heaven to save their souls. Those who do not convert at first will do so before the Persecution when more and more souls will turn back to Me. This will be a very difficult time for all. But be patient there are good times ahead when peace will return to Earth. My children will, after this wake up call, see the love that I hold and will come running back into My arms. Then when that happens My arm will form and defend My Kingdom against

The Deceiver whose reign will be very short. This is a turning point in the history of mankind children. You will understand this very shortly. By then any skeptical thoughts you have at time of the Warning – when it happens you will open your hearts to the truth. Go now My daughter in Peace and Love for all Mankind

Commentary

- So now many prophecies have already been fulfilled. The publicized world leader assassinated is only Gaddafi and in this message MDM used her prudence not to publish the two other names of another Middle Eastern leader and one European leader
- So we continue reading the SIGNS OF THE TIMES. I have observed that the JTM Crusaders are really vigilant as I read the various things posted in the chatroom
- We are aware that the Seal of Protection is already given, the Warning Messages have already spread to the world, the Covid 19 has already closed the Churches (this is the prophecy of the Great Abomination in Daniel)
- Let us watch the US elections. And let us watch intelligently and prayerfully, when will the New World Order roll out the MARK OF THE BEAST
- Who do you think are the **angels in Human Form** mentioned by Maria in the addendum of this message?

Jesus Christ King of the Jews

A Post Script:

*Note * The visionary would like to make it clear to the world that the reason she cannot post the names of the leaders TWO OF THEM FROM THE ARAB WORLD AND ONE FROM MAINLAND EUROPE IS OUT OF RESPECT FOR THEIR FAMILIES AND TO AVOID UNDUE DISTRESS. She has, however, given the*

messages to a number of the clergy and media embargoed ready for publication as soon as the assassinations take place shortly (all within a very short period of each other).

*** It is the visionary's understanding that references to Angels refer to 'messengers' who have been chosen around the World to impart divine messages to help spread conversion*
