Notes: Commentaries are in bullets

My beloved daughter move quickly to escalate awareness around My message for **The Warning is almost upon the world**. Tell those souls who refuse to pray to push aside their pride and distaste and turn to Me now to ask for forgiveness.

Commentary

- **“The Warning is almost upon the world.”** Here, immediately, if we would understand this statement with our own mental background we will say that the warning is so imminent as if it could happen in a few days or weeks ahead. I would like to make a stern reminder for all of us that calculating the time for the fulfilment of a prophecy is really pointless, and many have fallen into such error
- We recall Message 101 “Prophecy at Garabandal will now become a reality” given on May 31, 2011 @ 3:30 PM that says – “Prepare now for this event for you have **only a few months left to prepare your souls.**” The predicted event did not take place within a few months, or even a year, after the May 31, 2011 prediction. There goes the danger of calculating the date of a prophecy. Maria was so chastised and maligned by her detractors because of this message so that I wrote a defense on this but I was advised to take it down
- First and foremost, this is a prophecy from heaven. The stark similarity of **“the Warning is almost upon the world”** and **“only a few months left to prepare your souls”** is very obvious, but time in the realm of heaven

is actually timeless. We are only given a period of time. And again, as I always reiterate that prophecies are conditional in character

- This is characteristic of prophecies especially on chastisement – it is always conditional. It will depend how we have responded. Many times, Mary would say in her many apparitions in the world that the hand of the Father is withheld because prayers have been offered
- Prophecies are different from apparitions; the latter will always have date and time as Jesus has already explained to us in the previous messages tackled

Be clear that many many souls will not survive this imminent event. **Many of these souls are simply lazy** and while they may, behind it all, believe in God, the Eternal Father, they think that at some time in the future they will then deal with their spiritual beliefs. But it will be too late. Tell the world this event is going to save them.

Commentary

- Filipinos have the propensity of the mañana habit (mañana is Spanish word for tomorrow). We always suspend what we are supposed to do today and reserve it for the next day and on and on. The tomorrow's will multiply into days, weeks, months and even years. This habit is even universal but as Jesus said in this message: **many of these souls are simply lazy.**
- St. Faustina in her Divine Mercy novena reserves the 9th day of the novena to the souls who have become lukewarm. Meaning, they used to have the fervor and enthusiasm formerly, but, eventually, they become lukewarm, then cold. The religious fervor is not sustained because of laziness. Lukewarm in faith is

dangerous. **Revelation 3:16** says: "So, because you are lukewarm--neither hot nor cold--I am about to spit you out of my mouth"

- The script of the 9th Day Novena: "Today bring to Me the Souls who have become Lukewarm, and immerse them in the abyss of My mercy. These souls wound My Heart most painfully. My soul suffered the most dreadful loathing in the Garden of Olives because of lukewarm souls. They were the reason I cried out: 'Father, take this cup away from Me, if it be Your will.' For them, the last hope of salvation is to run to My mercy."
- I personally believe, this is where the greatest number of souls in the category of need to awaken them. They do not hate God, neither agnostics or atheists but they just do not care about God and before they realized that they have to catch up on many spiritual things, it is already late, they may not survive the warning
- As JTM Crusaders we really have a great mission to do to this particular group of people

Many will repent during this mystical experience. They will feel a burning sensation, not unlike that experienced by souls in purgatory. This will give them an insight as to what souls, who are not fully clean, have to go through before they can see the glorious light of Heaven. By simply accepting that this event may take place they can survive it. Turn to me and say "Please guide me towards the light and goodness of your great mercy and forgive me for my sins" and I will pardon you instantly. Then after The Warning you will experience a deep peace and joy in your soul.

Commentary

- Now the core of the message as Jesus gives us here some insights about the warning: **“What You Will Experience during the Warning and Prayer for Instant Pardon”**
- “They will feel a burning sensation, not unlike that experienced by souls in purgatory.” Of course, we will be very poor in words how to describe or understand what Jesus is saying, but as He further describes: “not unlike that experienced by souls in purgatory”
- Not unlike – emphasizes a different degree of likeness. **“Not unlike”** just means that there exist similarities. Let us recall the vision of Lucia on the fires of hell: *“They were floating about in that conflagration, now raised into the air by the flames which issued from within themselves”* (description on the damned souls, they are in human form; while demons are described as frightful and unknown animals)
- Reminder: The description is about the fires of hell, and not the fires of purgatory
- I will not attempt to describe this burning sensation, but this reminds me of the wildfires in Paradise, California in 2018 where the enemies used DEW (directed energy weapons). People say that heat is all over, even inside of the body. Heat issued from within, not like a gas oven where the heat generated is felt outside of the body, but like a microwave oven where heat is both outside and inside. So it’s like radiation

Back to Message

Young people find it embarrassing to pray. Many people in the world today refuse to pray. Many young people in particular find it embarrassing and old fashioned. They mistakenly believe that yes, while they do hold a belief in God, that prayer is not necessary. This is not true. It is essential in order to enter the Paradise you will desperately

crave after death. If you remain in sin you cannot taste this glorious feast. Just as those of you who keep fit, look after your body, watch what you eat carefully and keep trim so too must you prepare your soul in this way. Without paying attention closely as to the state of your soul it will become weak and lacking in the nourishment needed to ensure that it is in perfect shape. Prayer to say to convert others. Because of the weakness of faith among those in the world who are believers those of you who are strong in your faith have a huge responsibility now. You must pray this conversion prayer for the others.

Commentary

- Back in 2015 when I was in Rome for the General Chapter, I happen to meet some young Italian teenagers who speak English. They believe that Christianity is over, religion is already passe. They believe that it is okay if we do good to others, we do not oppress others. There is no need to pray or go to Church
- This is Rome, the seat of Christendom where churches, convents and headquarters of hundreds of different religious orders and congregations stand within each other just a few meters away. Only a few people attend mass
- We already reaped today what the libertarians have preached for so long, the philosophy of humanism
- Of course in fairness, the Italians are also very devout
- We just prayed CoP Thursday Theme for young people. Now we say together while remaining muted this prayer Jesus has given us:

"I urge you Jesus, in your Divine Mercy, to cover those lukewarm souls with your Precious Blood so that they can be converted."

Say this short prayer on behalf of those whom you believe need it most. Remember children My glorious promise. I will triumph in the end. Satan, The Deceiver, simply cannot survive. Please let Me protect you and take you with Me. Don't give Satan your soul. I love you all. Keep asking Me to strength your belief every day.

Your Divine Saviour
King of Mercy and Compassion
Jesus Christ
