### *Notes: Commentaries are in bullets*

My beloved daughter tell the world that they are about to witness a number of ecological disasters now. They will occur in the most unusual and unexpected places and will be severe in their intensity. Man's sinful behaviour has brought this about. Repent all of you and remember these climatic disasters will wake you up from your blind slumber and lack of faith. They are also taking place to dilute the impact of the evil group of global alliances and their wicked stupid activities. These groups under what I will term as a New World Government in waiting are planning to spring now under the leadership of the Anti-Christ. These same groups have brought about the collapse of the Banking system and will now destroy currencies everywhere. This is so that they can control you.

#### ***Rebuffed by Vatican, Pompeo Assails China and Aligns With Pope's Critics***

Pope Francis declined to see Secretary of State Mike Pompeo, who is demanding a harder Vatican line on China. The Holy See said meeting just before a U.S. election would be inappropriate.

Rebuffed by Vatican, US Secretary of State Mike Pompeo Assails China and Aligns with Pope's Critics. Pope Francis declined to see Secretary of State Mike Pompeo, who is demanding a harder Vatican line on China. The Holy See said meeting just before a U.S. election would be inappropriate.

ROME — Secretary of State Mike Pompeo recently published a sharp letter excoriating the Vatican's plans to renew an agreement with the Chinese government on Church operations in China. He promoted the article in a tweet, concluding, "The Vatican endangers its moral authority, should it renew the deal." The friction broke into the open on Wednesday as Mr. Pompeo arrived in Rome and met with prelates and others who are hostile to Pope Francis, while the Vatican denied him a meeting with the pontiff and rebuffed his efforts to derail the deal with China.

- How does this report make sense? Jesus uses the term New World Government in this message. Remember that there are 2 groups of Catholics in China: the underground Catholics who are faithful to the tenets of the Catholic Church; and the surface Catholics who are sponsored by the Communist State
- State-sponsored Church in China is now publishing new issues of the bibles that fits the communist government
- The Vatican plans to renew an agreement with the Chinese government on Church operations (surface Catholicism) in China. Mike Pompeo demands a harder stand on China. Can you relate the concept of this report side by side with the hidden agenda of the New World order? Pope Francis refused to meet with the US Secretary of State
- Instead, Pompeo, a devout Presbyterian, meet with the clergy critical to the pope that leads to frictions with the Vatican. While rebuffed by the pope, the conservative clerics welcome him. After all Trump and Francis trade verbal wars with each other since Donald Trump became president on border issues, immigration, etc.
- The lesson to this report is that the Vatican will continue to support the state-sponsored church in China, so

there is a real existence of an evil group of global alliances between the Vatican and China

- It is now easy where to toe the line, whose principles are acceptable to us Christians. That is why we need to watch the US elections because the victory of the New World Government depends on this - if the devil can destroy America
- Why? Because America is the richest country in the world, the strongest military, the country still holds the sophistication of high technology unsurpassed by any country in the world. The elites will use America's resources to control the world. There are both good and bad guys in the government
- The American nation and its good leaders are in fact, two of the prayer intentions that we have daily in the opening prayers

### *Back to Message*

My daughter when I first shared this message some months ago you thought that the messages seemed bizarre yet you wrote down what I told you. The wicked evil plan these serpents, followers of Satan, has been plotted for some time now. Some of their cunning schemes are already being revealed yet many people believe that the world is simply going through yet another financial crisis. Wake up all of you now. Look around you and see for yourselves. Stop trying to imply that the world is simply in the throes of a depression caused by a slump in the economy. Because this is not true. These people will now control each of you through a global currency and your country's indebtedness. No country will escape their clutches.

Please heed My word. Your money will be worthless. Your access to food and other necessities will only be possible through the Mark, the identification I spoke about. Please

please do not accept this Mark because you will be lost to Me. This mark will kill you not just physically but spiritually. Remain outside of this jurisdiction. Start planning your food stock piles, blankets, candles and water now if you want to avoid receiving The Mark. The Mark of the Beast. He the Anti-Christ who will head this New World Government believes he will steal the souls of the human race. But he won't. Just as many will fall under his influence so too will my followers remain steadfastly loyal to Me their Divine Saviour.

For all of you who will pour scorn on these prophecies listen now. Fall under the influence of this global power and you will be lost. You will need strong faith to survive. Prayers you request will be answered. I will protect you during this fearsome period on earth. Prepare now for group gatherings where you will be able to pray in peace and secrecy. They, the New World Order will also be in prayer in their own vile churches. These churches exist everywhere although they have been set up in secret. They hold sacrifices and pay homage to their idol Satan. These cults are rampant now and all share the one ludicrous goal, to control mankind.

They will do this by attempting to control your money, food supplies and energy. Fight them in the best way you can through prayer and the spread of conversion. Pray too for these deluded people who have been made promises of great wealth, technology, longer life and miracles. How wrong they are. They have been truly deceived. When they find out the truth they will have been plunged into the depths of Hell and it will be too late.

### *Commentary*

- Our concern now is really the preparation for all of us, should the times become very difficult both on the

economic survival, and at the same time nurturing our spiritual strength

- I have made some guidelines below on the economic and spiritual preparations

### *The Economic Preparation*

- We have to remember that this battle is spiritual in nature but due to the worldwide controls it would seem like we are in a war zone just like what we experience now. There are checkpoints, there are arrests
- Think of this logic, how can God allow the genocide of billions of people? If God will allow it, there will be no more people who will populate the New Paradise. I personally do not believe that the elites can annihilate humankind. They only think so. In this message Jesus says: "He the Anti-Christ who will head this New World Government believes he will steal the souls of the human race. But he won't"
- In the economic sphere here are the things Jesus warned us in this message: "yet many people believe that the world is simply going through yet another financial crisis." This is the propaganda shown in the outside, so people will just accept it, so people will not go up in arms. They just want us to remain docile, so it is easier to control
- "Stop trying to imply that the world is simply in the throes of a depression caused by a slump in the economy." They want us to believe that it is a normal cycle of crisis that we can transcend later on
- The control will be through a global currency and our country's indebtedness. Your money will be worthless
- At the height of the pandemic in Italy, a video circulated in the internet showing people throwing their money from the windows of their apartments. It was a lockdown, even if you have the money, there is nothing

to buy because the balance of supply and demand is disrupted

- In another scenario, it can also happen that a sudden devaluation similar to what happened in Brazil many years ago. My brother bought a shirt worth 100 cruzeiros. When he came back the same shirt is already worth 3,000 cruzeiros; thousands of percent in devaluation making your money useless
- Today, Venezuela is now experiencing this uselessness of money. The money may be found in the hands of the people, but grocery stores are empty, no medicines in the hospital. It can also happen that the necessities are hoarded in order to control us and the vaccines will be rolled out
- It can also happen that there will be a financial reset so we really have to watch. Maybe the accountants in JTM can help us in this matter. What I know is that your bank assets are only insured up to 500K (here in the Philippines). So, scatter your account and limit it to the insured amount
- Always bear in mind that this is a global control so everybody will long for a hero who will be a leader who can solve the problems and that is of course, the anti-Christ
- And they are starting it now, the global control through this pandemic. Control using the technology, control through mainstream media, control through fear, and control through laws and ordinances. Let us not be deceived anymore
- When they have the full control, it is the time for the Mark of the Beast so we can have access to food and other necessities. Be alert to stay outside of this jurisdiction. In all probability, it will start with government regulations

- As Jesus said in a very detailed reminder: “Start planning your food stock piles (rotate them), blankets (for cold countries because of power disruption), candles (for lighting purposes) and water now if you want to avoid receiving The Mark of the Beast”

### *The Spiritual Preparation*

- I quote: “You will need strong faith to survive. Prayers you request will be answered. I will protect you during this fearsome period on earth.”
- “Prepare now for group gatherings where you will be able to pray in peace and secrecy”
- It will be a period of miracles. The Seal of the Living God must be in your possession, hanged in the walls of homes, and sanctuaries (not necessarily a church)
- “Pray pray all of you **My Divine Mercy** and the **Most Holy Rosary** every day as often as you can to alleviate the impact of this devious and demonic plan.”
- Pray too for those souls who will be lost in the imminent global ecological disasters brought about by the Hand of God, the Father. They need your prayers.” These disasters are already happening. Remember “Haiyan” or “Yolanda” in December 2013 – the strongest typhoon to hit the world ever in the history of the world
- **Please heed my plea for prayers for they will be answered.** Miracles will multiply on these days

Your beloved Saviour Jesus Christ
