*(Message)*

I am your Jesus who never leaves you no matter how much you suffer. I am the Alpha and the Omega Son of God made man and born of the Immaculate Virgin Mary. My dearly beloved Daughter rise above this sudden burst of suffering and never forget the number of souls you are saving in the process. My children must suffer purification in order that their souls be cleansed at this time. So they must get used to this. Many of My children are still being purified before The Warning takes place. They will understand why this is happening to them in time, My daughter. The angels are with you all the time, like never before. For you, My daughter you will now attract the greatest number of attacks, so far, because of these messages.

- What could be the most gratifying effect of our suffering is = to the number of souls saved
- The purification is necessary before the warning takes place and Jesus reminded us that we must get used to it
- And in relation to the Sunday gospel today, we are reminded that we as the modern apostles in these last days , we are also given the immense power; the power of prayer, that we must utilize for the salvation of all the lost souls

*(Back to Message)*

**Every word I utter will now be pulled asunder.** Every lesson and truth I try to impart to the world now will be questioned and deemed to be blasphemous. **My Holy Word, when taught to My followers when I walked the earth was also criticized.** I was accused of heresy, blasphemy and for condoning sinners when I walked among My people. **My word was not accepted then in many quarters** and especially among the priests and Pharisees. My daughter those people, whose boastful taunts because of their self-proclaimed scriptural knowledge continue to attack these messages, will be the worst offenders. They will arrogantly argue that their flawed interpretation of the Holy Gospel is more important than the truth. **Their pride prevents them from recognizing My voice** when it is being imparted to the world today. Never engage with these poor souls My daughter for they are not of the light. Sadly, they believe themselves

to be. Remember those who look down and sneer at others in My name do not represent Me. They do not show love, understanding or humility.

### **Scriptural Background on the Accusation of Blasphemy**

#### **Jesus' trial before the Sanhedrin (Matthew 26:57-68)**

- The Jewish leaders were looking for false evidence against Jesus to have him put to death, but they could not find any. Eventually, Caiaphas demanded of Jesus **"Tell us if you are the Messiah, the Son of God."** Jesus answered him, **"So you say. But I tell all of you: from this time on you will see the Son of Man sitting at the right side of the Almighty and coming on the clouds of heaven!"** Caiaphas declared this was blasphemy, so the guilty verdict was passed. Then they spat in Jesus' face and beat him
- *What is this today in these end times? So many people would not believe that we are already in the Book of Revelation. People will just say that the 2<sup>nd</sup> coming of our Lord is still so remote. It will not happen in our lifetime. The lies spread by the leaders of the temple is deeply permeated in the minds of the people in Jesus' time, so that the Jews today are still waiting for the Messiah*
- There were a number of reasons why the Jewish leaders wanted Jesus put to death: **He challenged their authority**, calling them **hypocrites**. **He broke their laws about Sabbath observance**. Jesus healed people on the Sabbath, but the Jewish leaders defined this as 'work' which was forbidden
- *The sin of **PRIDE**. It is very difficult to bow your head in humility when you are in a position of authority. Pontius Pilate finds John the Baptist to be so sensible and he loves to listen to John; yet he still ordered the execution because he made a promise in front of dignitaries. Just the same, the temple authorities loved to argue with Jesus when he was still a young boy; but when he is already in the ministry, they find it difficult to accept the fact that the expression of their faith has become the empty rituals of their days*
- **He mixed with people which the Jewish leaders regarded as 'unclean' – sinners, prostitutes and tax collectors. He made claims** that he was God's son and the promised savior
- *Jesus imparted his messages for his 2<sup>nd</sup> coming to a lowly woman MDM, who has never studied theology. The messages*

*are received by the simple people all over the world who simply believed it is the Lord calling them to assist him in the harvest of souls. Authorities do not want Jesus to be mingling with sinners. Similarly, the authorities of today creates a divide between families, loved ones, friends, neighbors and even away from the Church because of the pandemic. The technocrats of social engineering promote, abortion, divorce, same-sex marriage to break up the fabric of the family unit*

- Jesus was accused of **blasphemy** by the Jewish leaders. Blasphemy is a religious offence, when a person says or does something regarded as being disrespectful to God. In the eyes of the Jewish leaders, when Jesus claimed to be God's son he was insulting God. Blasphemy was taken very seriously and **the punishment was death by stoning**
- *The fact that the temple authorities failed to recognize the coming of the Messiah even though it is already written in the Scriptures, the Torah and now is already in front of them is a clear sign that wisdom is withheld by God to the wise and the learned. Those who failed to recognize the Lord are the real blasphemers. They are the lost souls of today who are blinded by their own intelligence*
- The **Sanhedrin** was the **highest ruling council of the Jews**. There were 70 members, mostly made up of Sadducees, Pharisees and priests plus the leader who was the high priest. When Jesus was on trial the high priest was Caiaphas. In their haste, the Sanhedrin does not appear to be concerned about a fair trial. They are looking for false evidence. False witnesses come forward, misquoting Jesus' words. Jesus is accused of threatening to destroy the temple. This could have been a distortion of Jesus' teaching about the resurrection, when he said his body (temple) would be raised in three days
- *Can you see the stark similarities of today? The highest authority in the global government are the elites working in those giant agencies dictating to us the protocols in this pandemic. But where are the voices of those who have found the cure? They are never heard*
- Finally, the high priest said to Jesus "Tell us if you are the Messiah, the Son of God." Jesus replied "So you say." This was enough for the high priest to accuse Jesus of blasphemy. The high priest tore his own clothes to show his horror at hearing blasphemy - this was a custom among very self-righteous Jews.

The death sentence was then immediately passed on Jesus and they hit him and spat in his face

- *Yes, it is the self-righteous people who are the most stubborn in the faith because of their scholarly and brilliant principles. Unfortunately, they do everything to thwart the plans of the salvation of souls, and they are the ones who need our prayers for conversion because they do not know what they are doing*

These attacks are being mounted to stop you in this work and to create new doubts in your mind. Pray for these people. Ignore them. Focus only on My voice and do not allow this sacred work to be affected in this way. Satan is working actively within these souls and will use every form of cunning argument to undermine these messages from My lips. By engaging or responding to these attacks you give Satan the power he seeks. Go now in peace. Keep looking ahead and remain obedient to My wishes at all times. Remember you have given Me the gift of your free will. Allow Me, therefore, to guide you. Trust in Me completely.

I love you.

Your Jesus
